SOLAR SYSTEM

DIGITAL ESCAPE™

HOW TO PLAY

Look for this icon to decode a puzzle. One puzzle per reading.

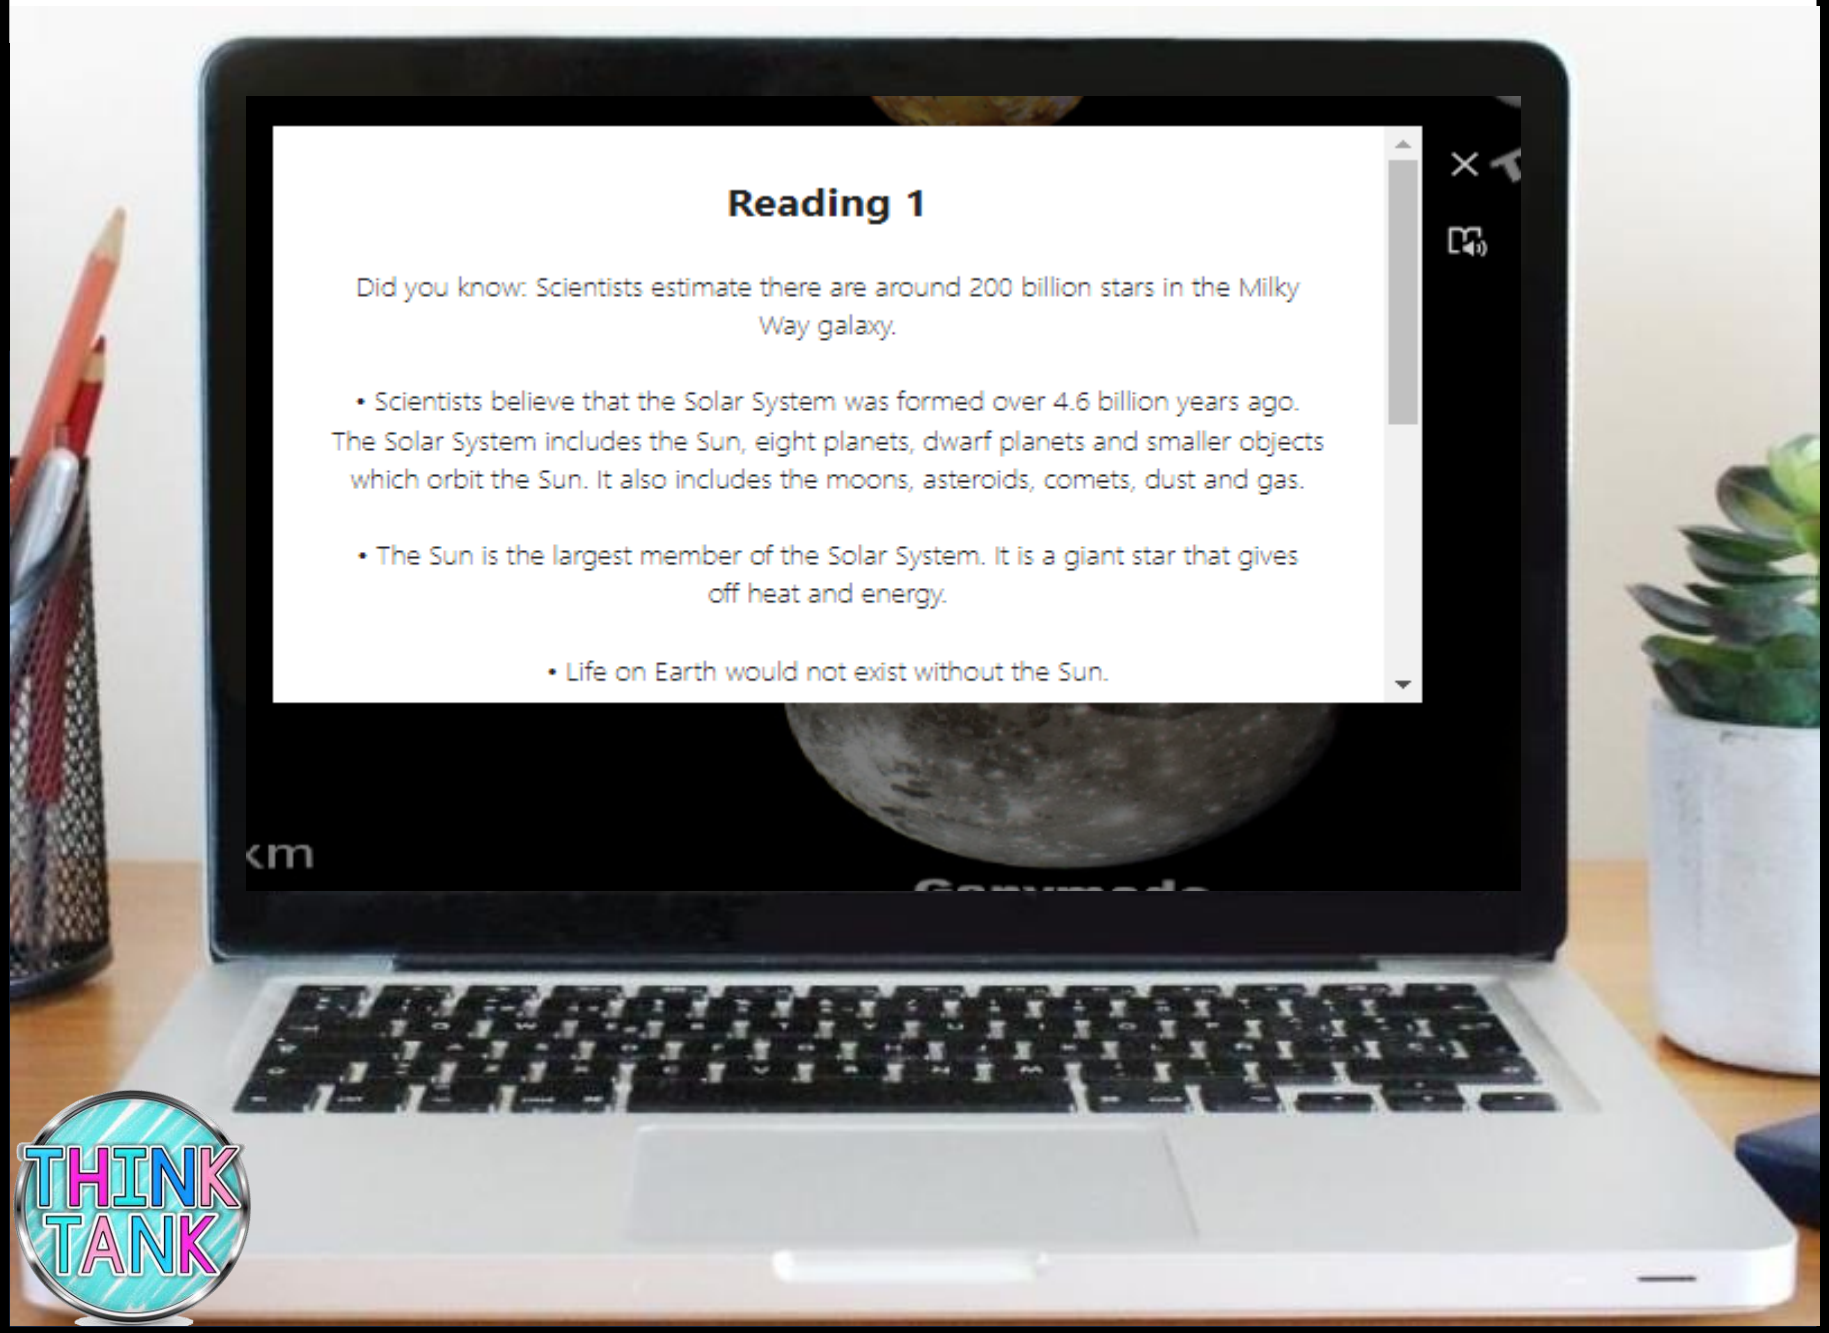
Look for this icon to read about the topic to find answers.

Look for this icon to answer three questions per reading.

Students will read 4 short passages, then answer questions related to each passage. After correctly answering the questions, they will be given a "clue." They will then decode 4 puzzles to help them determine the final lock code.

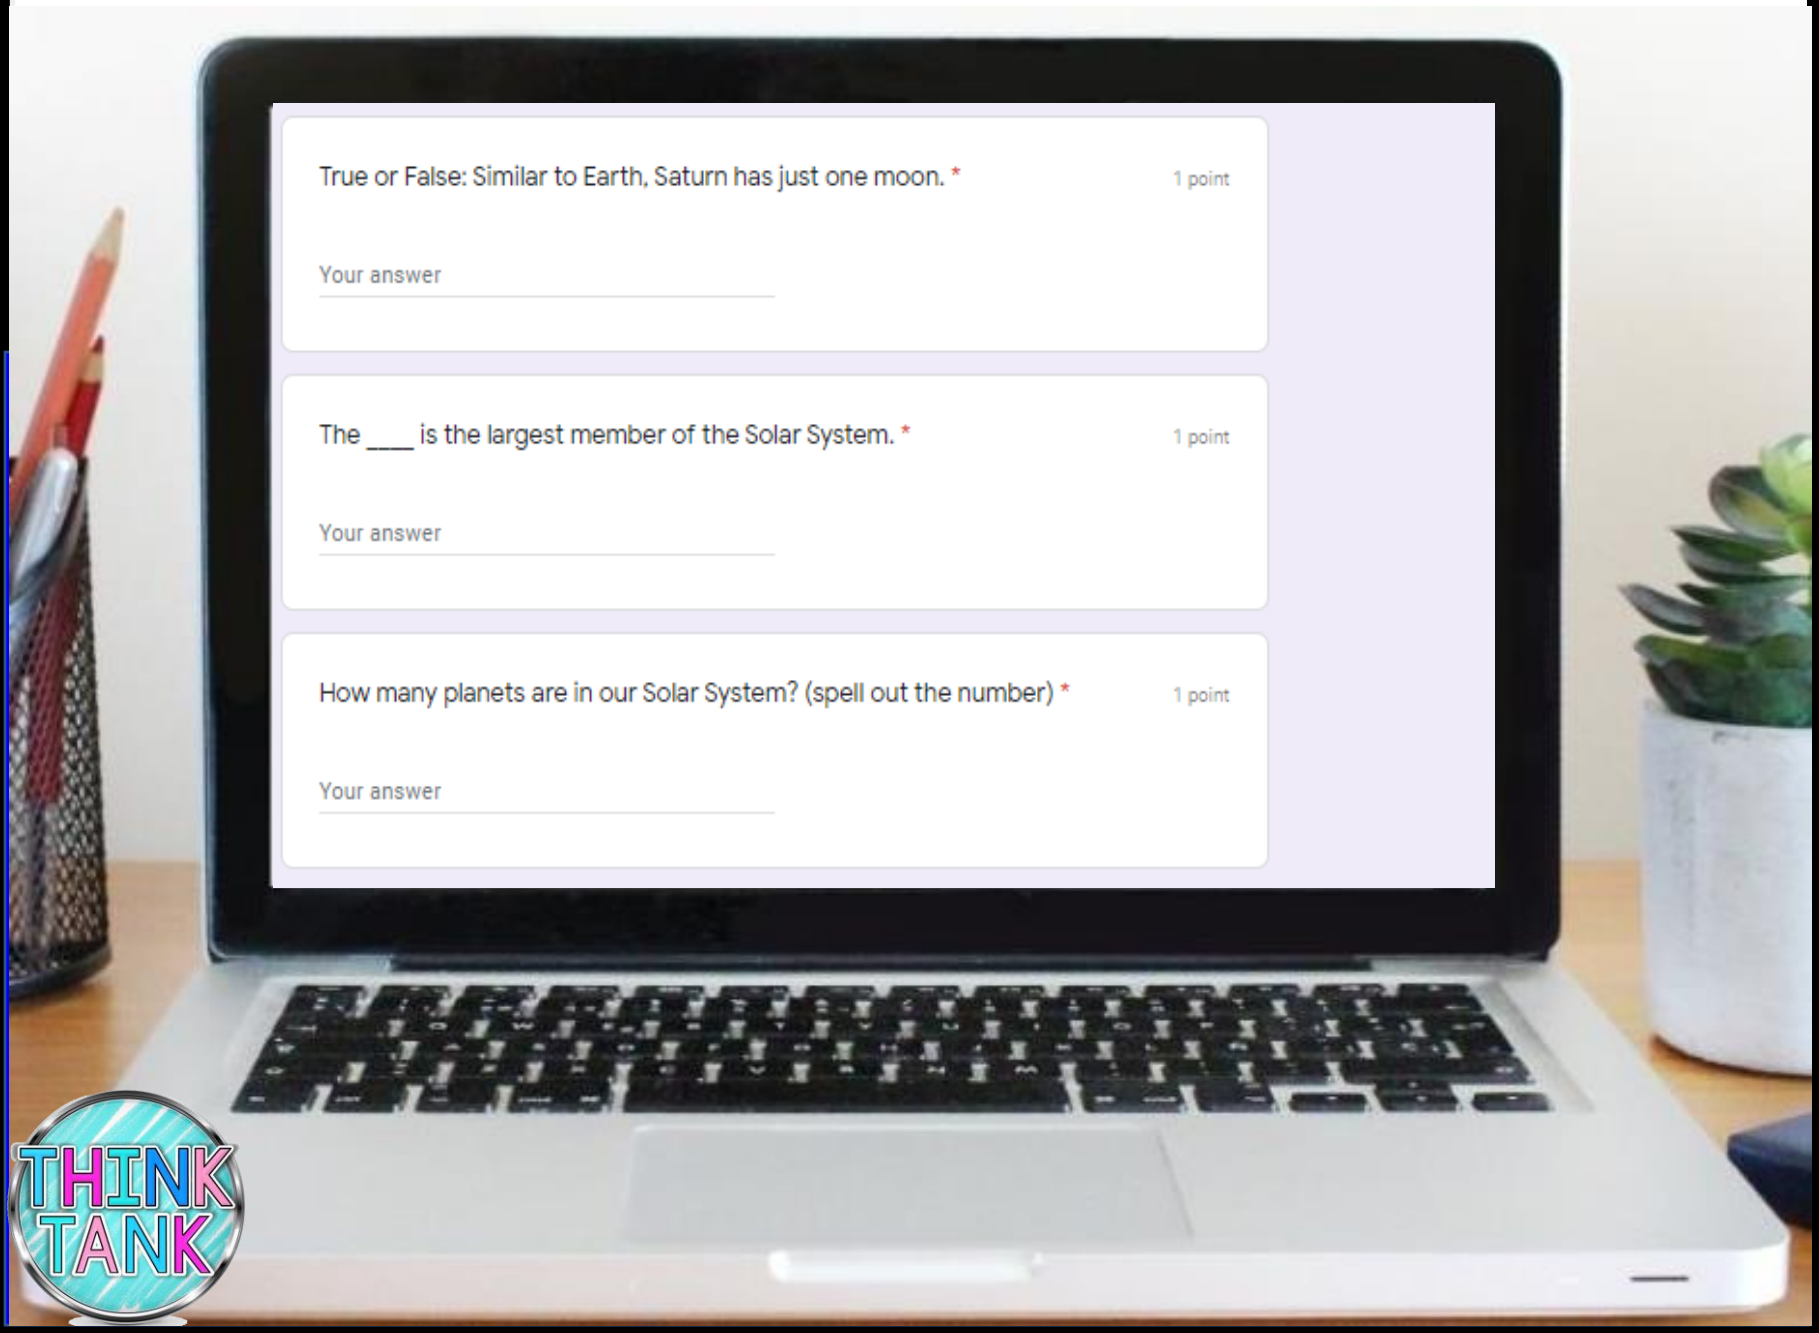
There are 4 sets of color-coded activities. For example, there is a BLUE 4 icon for a reading passage, a BLUE question mark for questions related to the BLUE reading passage and a BLUE controller icon for a puzzle related to the reading.

4 PASSAGES



THINK TANK

12 QUESTIONS



4 PUZZLES
