QU- WORD WHEELS

What you need

- One copy of the preferred pages. Choose between colour or black and white pictures.
- Scissors, a split pin/paper fastener or brad
- Pencils if using the black and white version and you want to colour

What to do

1. Colour the pictures if using black and white
2. Cut carefully around all three circles
3. Place them on top of one another, largest circle at the bottom, smallest on top
4. Line up the center circles and push a split pin or brad through to hold them together

How to use

- Turn the three 'wheels' to match the words to the pictures, reading out loud as new words are formed
- One child can choose a picture, then another child makes the correct word to match it
