General Services Administration (GSA) Toyota Material Handling Equipment

TOYOTA
FORKLIFTS
OF ATLANTA

3111 East Ponce de Leon Avenue, Scottdale, GA 30079
Office (770) 704-9500 Fax (770) 704-9501

Toyota Forklifts of Atlanta's **GSA Contract Schedule** covers material handling products with related services and mirror commercial buying practices including **the very latest in technology, quality** built forklifts and professional **services**, including a vast range of **material handling products**, which is at your **convenience, with the most-favored customer pricing**. Pre-qualification of pricing and quality, has already been done by GSA for all government purchasers saving you time and money. Through Toyota Forklifts of Atlanta's **GSA Schedule**, customers benefit from a direct relationship with volume discount pricing, 100% quality products, warranty and delivery, with significant opportunities to help meet your small business goals. Orders placed against Toyota Forklifts of Atlanta's **GSA Schedule** meet FAR regulations and are considered to be issued using full and open competition.

Complete Facilities Maintenance and Management

Our Complete Facilities Maintenance and Management agreement allows Toyota Forklifts of Atlanta to handle all material handling services based out of Atlanta, Georgia and supported by our nationwide coverage through our Toyota Dealer Network.
