our speaker: Geoff Chang

Geoff was born in Sao Paulo, Brazil and grew up in Houston, TX, where he attended a Chinese church, heard the Gospel at a young age, and was saved by God's grace. Geoff went to the University of Texas at Austin and received a business degree.

But after working in business for a few years, the Lord called him through the local church to pursue full-time ministry, so he began seminary, and eventually ended up working at a church in Washington, DC. Geoff had originally only planned to come to DC for a semester but ended up finishing his seminary degree there, finding his Stephanie, and settling in the pastoral staff at the Capital Hill Baptist Church. When Geoff is not working, he enjoys spending time with his wife, reading, and watching & playing basketball.

friday morning devotions

This is time and space for you to spend personal time with God. Find a quiet place where you won't be distracted. If the weather is nice, go outside and take a walk around the camp. Focus on who God is, what He has done, and what He is doing in your life and the life of our church.

Read and Meditate on Proverbs 3:1-8

In the original Hebrew, "in all your ways acknowledge him" is more literally "in all your ways know him". This fundamental statement of how to relate to God implies more than mere reverence. Nodding in God's direction is not enough: You must know him by living closely with him, relating to him personally in every aspect of your life.¹

As you start 2010, think of things in your life you need to trust God more. Jot them down. Pray about it.

Think also of at least three ways in which you can know God better in 2010 and jot them down. Pray about it.
