Young Life's H1N1 Flu Policy

Parents should not allow a child to attend any Young Life function if they have had any flu-like symptoms (fever — temperature of 100°F [37.8° C] or greater — and a cough and/or a sore throat in the absence of a KNOWN cause other than Influenza) at least seven days prior to the event.

Kids with these symptoms during a Young Life overnight event will be isolated from the general event population.

Young Life will follow the recommendations of the local health officials as it relates to the H1N1 protocol.

If a school is closed by local authorities prior to a Young Life gathering, Young Life will not allow students from closed schools to attend the event.

Young Life's policy is to refund all deposits and balances subject to cancellation penalties incurred from vendors for the event.
