TUITION SUPPORT PROGRAM: Cedar Springs Waldorf School offers a tuition support program for families unable to pay the full-suggested tuition. Applications are available from the Business Manager, or online at www.psas.org. Tuition support is not available in the 3K or the part time 5k program.

PARENT PARTICIPATION: All families are expected to participate as volunteers, committee members and/or members of the Board of Trustees at an average level of 10 hours per month. Through the interest and support of our families, we are able to insure that the school remains a strong and vigorous institution.

EXTENDED CARE: (Optional, at an additional charge.) Extended Care is available from school dismissal time until 5:30pm. See the enrollment packet for additional information and registration form.

INSTRUMENT RENTAL: Musical instruments may be rented or purchased from local music stores. The purchase of pentatonic, C-flutes and recorders is arranged through the class teacher. Prices range between \$30 and \$90.
