Odesa is a legendary city of Ukraine. It's often called a Ukrainian Paris. City of romance, art, poems, theaters and museums... Odessa is a very special city. Speaking more precisely it is a small state with its own very special culture. That culture you will sense as soon as you will come here. And first of all our city is famous by its unique humor. By the right Odessa was called "the capital of humor". Every year on the 1st of April people have "The day of Humor", so a lot of famous guests visit the city. And Odessa is always hospitable for its guests. Every day here has a little festival mood: a lot of smiles, many charming women... By the way exactly pretty woman can be the symbol of Odessa. Odessa is situated at the Black Sea coast and its sandy beaches are the center of summer entertainment. Odessa is a very important port and one of the most beautiful cities in Ukraine and all of Europe. The city itself is full of historical, architectural, cultural and scientific interests.
