

Oh... it's Christmas again!

Let us help you organise your corporate Christmas cards this year - a great way to both thank your existing customers and to market your company to new customers. And you can demonstrate some good Corporate Social Responsibility at the same time!

Simply choose a design and create a message for the inside. We will do the rest!

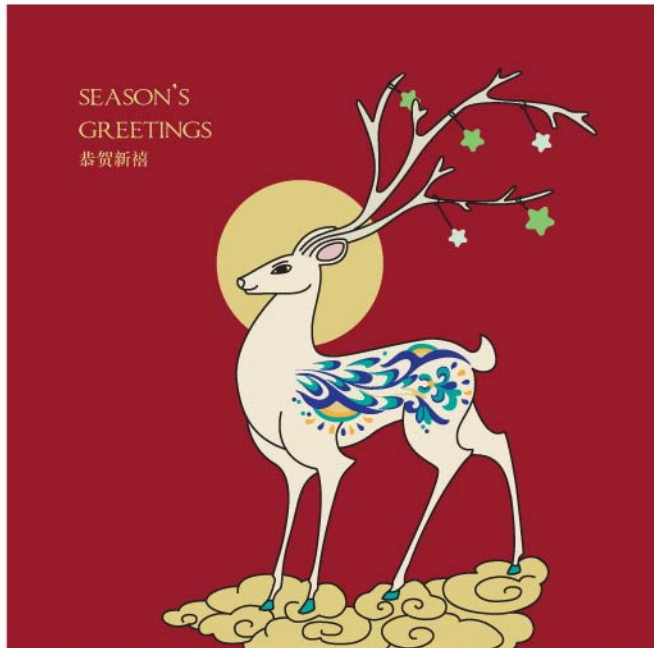

Let us know your choice by 26th November and we can get the cards to you by 9th December. With every card you purchase, your company will be helping an orphaned or abandoned child in China move into a family for the very first time.

www.careforchildren.com

Cards are RMB 7 each, of which RMB 2 will go directly to Care for Children. Minimum order is 50 cards; maximum order is 10,000 cards.
