FOR THE ATTENTION OF: Your Community Band Director

Dear Sir or Madam:

We are writing to call your attention to the fifth New Horizons Music Camp planned for Unicoi State Park, Helen, GA, to be held from April 18th to April 23rd, 2010. As you probably know, the New Horizons Music program is an international program focused on developing musical enjoyment for instrumentalists over 50 years of age. For more detail on this program please refer to the national web site at www.newhorizonsmusic.org. We have previously conducted four very successful instruction and rehearsal programs at this site over the past six years.

We would greatly appreciate it if you could call the attention of your musical group to the opportunity presented by this professionally instructed music camp. If possible, we would request that you post the attached flyer in your rehearsal hall or gathering place. It should contain sufficient information to connect interested parties to the web sites where full details can be found.

I would be pleased to answer any questions you may have about the program, instructional staff or facilities. Please feel free to e-mail or call me at the number below. Thank you.

Best wishes for your musical group!

Dr. Herbert Greenberg, President, RNHB
