

LEE RANGERS YOUTH FOOTBALL CLUB
CODE OF CONDUCT FOR PARENTS

1. I will offer only positive reinforcement of my child's development; this will include asking them about what they have learnt. Also how they feel about what they have learnt and how they feel they are progressing. The players will take a lot of pride in what they are achieving and my positive reinforcement will act as further encouragement.
2. Communication between parents and coaches is encouraged at all times. If I have any questions or points I wish to discuss, I will ask the coach who will always be willing to offer assistance and advice. If I need additional information I will contact the Head Coach.
3. I will not 'coach from the sidelines' at coaching sessions or in games as I am aware the coaches are asking players to make decisions and would not wish to confuse them with multiple instructions.
4. I will conduct myself appropriately whenever watching the players at coaching or games in a manner that would be respectful to all including, players, other parents, match officials, coaches and the opposition.
5. I will support my child within their football and education throughout the season to give him the very best opportunity to develop and progress as a footballer and an individual both on and off the field of play.

I agree to adhere to the code of
Conduct for parents for the Season 2010/11.
