

MAST Academy

Use of Personal Equipment on the Network

Use of personal equipment including but not limited to laptops, tablet PCs, and PDAs on the school network is a privilege afforded to MAST Academy students. Use of these items on the school network in no way makes MAST Academy, its faculty or staff responsible for the maintenance or security of said equipment. Secure storage for these devices is not available at MAST Academy and students are responsible for the security of their personal belongings at all times.

An encryption key is necessary for access to the network. This encryption key can only be entered by MAST faculty and staff and may not be shared with students. MAST Academy, its faculty and staff is not liable for any issues that may develop with a piece of hardware or software as a result of granting students access to the network or the students use of said network.

Use of personal technology in the classroom is at the discretion of the instructor.
