

REBOLT

REBOLT IS SET TO RELEASE OUR FIRST ALBUM, BUT WE NEED MONEY TO RECORD IT. HERE'S YOUR CHANCE TO HELP OUT AND GET A REAL COLLECTORS ITEM IN RETURN!

PS! THE ALBUM COVER AND TITLE TO THE LEFT IS JUST AN ILLUSTRATION. THE NAME AND COVER MIGHT TURN OUT QUITE DIFFERENTLY...

HELP OUT & PRE-BUY OUR DEBUT ALBUM!

Do you want to be a part of Rebolt history? Do you want to get something very special and unique? Of course you do!

We are planning to record our debut album and, who knows, this might be the only album we ever make as well. Hell, we don't know. We don't have enough money to record an album right now (we are poor bastards and don't have time to play live as much as we would like), but since it's so important for us to make this "evidence" of how good we are as a band, we are thinking outside of the box. Rebolt is fortunate enough to have some really hardcore fans who appreciate true rock'n'roll and we want to give you the opportunity to be a part of this album and get your hands on a true collectors edition of it.

In fact, we might just release the album for digital distribution (iTunes, Amazon, Napster, etc.), but we want to make 150 exclusively custom made cd's. By donating 199 NOK (including shipping) in advance, 150 fans gets their own personal and numbered album, handmade and autographed by the band and your name in the booklet! By this you will help us make a great record and at the same time give yourself (or a friend) a very rare and special album.

And here's the best part: If we don't raise enough money to record the album or finish it, we will refund your money! We are giving ourselves one year to do this, so by May 2010 the album will either be in your hands or you'll get the money back. This is a promise! But mark our words: If you say you

want an album, we WILL make it! And Kristian may even return to participate...

So, do you want to be a part of the making of Rebolt's debut album? Do you want your own, custom made personal album, autographed by the band? Click the donate button and support your favorite rock'n'roll band right now! Remember: There will only be 150 of these cd's and there may never be printed any cd's at all - the plan is to release the album for digital distribution throughout the world.

You'll find more information on how to donate the money on www.rebolt.no.

Best wishes from Frode, Knut Eirik, Bård, Magnus and Kristian.
