

SINGAPORE SOCIETY FOR HAND SURGERY

21ST COMPREHENSIVE HAND REVIEW COURSE 2012

17-18 FEBRUARY

ADVANCED SURGICAL TRAINING CENTRE

NATIONAL UNIVERSITY HOSPITAL

SINGAPORE

Singapore Society for Hand Surgery presents its annual comprehensive hand review course. This course will feature an international expert hand surgeon and therapist to foster better understanding and collaboration.

Over two days, the faculty will provide updates and review of each subspecialty of hand surgery. Posters and free papers are welcome for our annual scientific meeting.

For further information, visit our website:

www.sshs.org.sg or e-mail our secretariat, Ms Sandra Awyong: Sandra_awyong@nuhs.edu.sg

The invited faculty are Professor Goo-Hyun Baek and Ms Sharon Chang. Prof Baek (Seoul National University College of Medicine, Korea) is well known in the international arena of hand surgery and has extensive interest in management of adult and paediatric hand conditions.

Ms Sharon Chang is an expert Hand and Occupational Therapist based in Seattle. She will share her expertise and knowledge in rehabilitation of the injured hand.
