

Shepherd Valley Waldorf School

6500 Dry Creek Pkwy • Longmont, CO 80503

"What I have seen as a university professor in Waldorf graduates is a certain openness to new subject matter and new ideas, and an active engagement in their own learning."

– College Professor of English

"Waldorf Education has prepared me for the future because it has taught me how to think."

– Waldorf graduate

Learn about the unique teaching methods of Waldorf Education at a free presentation. Join **Thesa Kallinikos**, Teacher at Shepherd Valley Waldorf School, and find out how Waldorf Education awakens the mind, enlivens the heart, and engages the hands.
