Attorney General

Dear Attorney General McKenna,

On behalf of the people I represent in the Second Legislative District I support you in your efforts to challenge the constitutionality of the recently passed Federal Health Care legislation. I believe you are doing the right thing as a fellow elected official I applaud your decision and will support you in any way that I can.

I encourage you to pursue this matter in conjunction with other Attorney Generals across the United States.

We appreciate your efforts and encourage you to not be deterred by the Governor or any other elected official trying to tell you how to run your office or what is in the best interest of the People of the State of Washington.

Respectfully,

State Representative  
Tom Campbell  
2<sup>nd</sup> Legislative District
