

## Welcome to The Springs RV Resort at Harrison Hot Springs

**We really want you to enjoy your stay at our resort. How? By being safe and having fun. We will work hard to make that happen but we need your help too. Here is some information to help you help us!**

-  *Quiet hours are from 11:00 pm to 8:00 a.m. Speed limit on the resort roads is 10km/hr. Speeding in the park is dangerous as there are many children and pets. PLEASE slow down....relax. The gates are closed (not locked in case of medical emergencies) at 11:00 pm and open again at 7:00 am. So please be neighbourly and park in visitor parking at front of resort or outside the gate if you are leaving before 7 a.m. as driving in the park wakes people up and they get grumpy!*
-  *Your vehicle must be parked fully on your site, not on the roadway or shoulder, as per city bylaw. Emergency vehicles must have access at all times. Fines will be levied.*
-  *All garbage and recycling must be taken to the receptacles located next to the entrance. Separate recycling receptacles are provided for cans & glass bottles. The proceeds from this recycling goes to the Social Fund for the benefit of everyone in the park. Please help this happen by not putting any other recyclable items, i.e. bags, paper, cardboard, plastic, into these bins. ONLY RETURNABLE ITEMS.*
-  *Dogs must be on a leash at all times and all waste must be picked up. Wandering dogs tend to leave little gifts for people to walk in! Need gift bags (aka poo bags)? We have them at the office; fun ones too! Dogs just want to have fun; so there is a dog run on the mountain side of the creek.*
-  *Our antique carousel will run at posted times on the weekend and by request during the week. The horses have asked that only children 8 and under ride. The play centre, located by the carousel is designed for 12 years and under. Basketball - all ages! Lots of sports equipment to sign out at the office, come have a look.*
-  *Do you know where your children are? Please have them either on your own site, an invited guest of another supervised site, or supervised by an adult after 10:00 (14 and under).*
-  *Safety first! Please use a light on your bike if riding after dusk and always wear a helmet. Please respect the privacy of others and the work done on their sites; taking shortcuts through other guests' sites is just not nice! You are welcome to ride the trails on the 5 acres or at the back of the park.*
-  *Pool and hot tub use is at your own risk- no lifeguard is on duty. All children under the age of 14 must be accompanied by an adult at all times. When registering at the office you have signed an agreement to abide by the safety rules of the pool and recreational area, we take everyone's safety very seriously and there will be zero tolerance for compromising your own or anyone else's safety.*

*Thank you for reviewing this information so we can all relax and enjoy the Resort. The Resort activities are printed in this folder but come by the office and check for new activities that are posted every weekend.*

Enjoy your stay with us!

Bill and Natalie Ritchie - Your Resort Hosts, Office 604.796.9767
