

Wheelhouse Detroit

2010 Wheelhouse Detroit Tour Schedule

Wheelhouse offers a variety of guided tours for cyclists of all abilities and stamina level. What's your interest? Detroit architecture...family rides...neighborhood excursions...dining tours...We can even craft a custom tour for your business or family!

Most tours costs \$25 per person or \$35 with a bike rental. Space is limited to 12 bikes, so reservations should be made in advance. Please check our website a full tour schedule and a detailed description of each tour!

We design many of our neighborhood tours in concert with a community partner organization. This way, we can be sure that the most accurate -- and interesting -- information can be shared with our riders. Community partners also receive a portion of our tour proceeds, so your money is going back into the neighborhood you've visited!

To make a reservation, please visit wheelhousedetroit.com/tours. For more information, call 313-656-BIKE (2453) or email info@wheelhousedetroit.com

Other Tours may be added – check wheelhousedetroit.com/tours for the most current tour info!
