

# Wheelhouse Detroit Group Bicycle Tours

Detroit is great to tour by bike, and Wheelhouse Detroit is happy to work with any group to schedule one of our many group tours or even craft a custom tour! It's a perfect team-building exercise, family outing or pre-wedding excursion!

Wheelhouse has numerous options for group tours. Take a look at the five rides we recommend!

- **Near East Side:** This 15-miler is perfect for those interested in learning about Detroit's most unique attractions, including the Dequindre Cut, Heidelberg Project, Earthworks Urban Farm, Gabriel Richard Park and the eastern end of the Detroit RiverWalk. Belle Isle and/or Elmwood Cemetery can be tacked on for more avid cyclists. A speaker from Earthworks Urban Farm can be arranged for an additional small donation.

**Detroit RiverWalk/Dequindre Cut:** Ideal for families, this tour is almost entirely on greenways, separated from auto traffic. Short and sweet, it focuses on the beautifully renewed RiverWalk and the Dequindre Cut rail-to-trail. Approx. 5 Miles.

- **Eastern Market:** A 5-mile tour that takes in the Dequindre Cut, Lafayette Park and historic and vibrant Eastern Market. A lunch stop at renowned Supino Pizza can be arranged and/or a speaker from the Eastern Market Corp. can be scheduled for an additional small donation.

- **Microbreweries:** Detroit's beer has a great reputation around the country, and this tour will show you why! We'll stop in and have a taste at Motor City Brewing Works, Detroit Beer Co. and Atwater Block Brewery. Approx. 10 miles.

- **Greatest Hits:** The 15-miler takes in Greater Downtown and provides a really great overview of the heart of Detroit. Riders will see the RiverWalk, Corktown, Woodbridge, Wayne State University, Detroit Medical Center, Brush Park, Eastern Market and the Dequindre Cut - all on a bike!
