BUY - COTT

AHAVA LETS SUPPORT THOSE WHO SUPPORT ISRAEL
Essential Dead Sea Treatment

Zachie Achmat, Nathan Geffen, Doron Isaacs, Ilan Strauss and Daniel Mackintosh who are all members of Open Shuhada Street organization, an unashamedly & very vocally anti-Israel body, have called for a boycott of **AHAVA PRODUCTS** as part of their BDS Campaign against Israel to delegitimize her by her enemies. In response, we are asking you to go to **THE WELLNESS WAREHOUSE, TRUWORTHS OR DISCHEM** and **BUY AHAVA PRODUCTS** to counter this very negative and dangerous campaign. When purchasing these products, make a point to tell the paypoint that you are purchasing this product especially due to the BUY-COTT

BUY-COTT

READ ALL THE RELEVANT ATTACHMENTS TO EXPLAIN THE REASONS FOR THE BUY - COTT.

WE THANK YOU FOR YOUR SUPPORT !!
