Registration fee is due at time of registration. Please note that submission of this registration form does not automatically guarantee placement in a class. You will be notified in writing when your child has been placed. Tuition is due by the 15th day of preschool for every new month. Tuition is considered late after the 15th of the month, regardless of whether school is in session on those dates or not.

I understand and agree to pay the above fees in a timely manner. I understand that a late fee of \$10.00 will be charged after the 15th of the month. I understand that no deduction in tuition is allowed due to absences or illness or any other reason unless approved by the Director. I also understand that whether my child is present or not, the teachers have planned and prepared for my child; therefore, full tuition is paid monthly starting in September and through the month of May, regardless of school closings. If for some reason I need to withdraw my child from preschool, I agree to give Sunshine Preschool a 30- day NOTICE. By not giving notice, I understand that I am responsible for an additional month's tuition.

Parents who participate as teacher aids will be credited \$30 per day worked
