Theology of the Body for Teens

Theology of the Body for Teens

presents the two hottest topics on the planet--God and sex--and "marries" them through Pope John Paul II's compelling vision for love and life. Using a great mix of stories, real-life examples, activities, prayers, and references to the culture that teens understand,

Theology of the Body for Teens answers the questions teens have about their own bodies, issues on sexual morality, and how they were uniquely created for greatness.

Theology of the Body for Teens answers questions such as:

Why did God give us our sexual desires?

What is the difference between love and lust?

Can Christ bring healing to me if I've already "messed up"?

How far is "too far"?

How can teens remain pure in our oversexed culture?

Is there any hope for overcoming lust and pornography?
