

OLYMPIA—LACEY—TUMWATER—THURSTON COUNTY

APRIL 15TH IS

TEA-DAY

(TAXED ENOUGH ALREADY)

Citizens all across America are rallying to push back against Irresponsible Congressional & Irresponsible State Spending. The founders of our nation fought against unjust taxes because they understood that “the power to tax is the power to destroy”. That event was known as the “Boston Tea Party” protesting an unjust tax on tea. Make your voice heard.

**As more and more economists, business & political leaders sound the alarm,
we the people are leading the charge.**

Gather at Olympia City Hall

Corner of Plum & 8th Ave (I-5, exit 105)

Between 11:00 -11:30

**At 11:30 we march to our State Capitol
for a noon-time Rally**

We will join the “Push Back Against Higher State Taxes” event being held at noon at the State Capitol. About an 8-block walk. Visit www.pushbacknotax.com
