Intro: Gm /// Bb // F // :||

Gm            Bb            F  
In all of my life I'm searching  
Gm                    Bb            F            Gm  
For what can be only found in You  
Eb                    Bb            F  
Only You can satisfy  
Gm                    Bb            F  
I've seen what the world can offer  
Gm                    Bb            F            Gm  
In all that can sway me I have found  
Eb                    Bb            F            Gm            Eb                    Bb            F  
Only You can satisfy,    only You can satisfy

Eb                    F                    Gm  
To live for Christ I first must die  
                          F                    Gm  
To all the rivals in my life

Eb                    Bb            F                    (Bb // Cm // Gm // F //)  
Only You can satisfy  
Gm Eb                    Bb            F  
Only You can satisfy  
Cm                    Gm  
In everything I have in You  
Eb                    F            Gm /// Bb // F //  
I find, You satisfy

Gm                    Bb            F  
In all that now lies forsaken  
Gm                    Bb            F            Gm  
Nothing can match Your love for me  
Eb                    Bb            F  
Only You can satisfy  
Gm                    Bb            F  
Forever my heart awakened  
Gm                    Bb            F            Gm  
To worship the One who sets me free  
Eb                    Bb            F            Gm            Eb                    Bb            F  
Only You can satisfy,    only You can satisfy
