B

When all is dark and hope is gone

G#m

And silence has become my song

E

B

F#

When doubt has closed me in, You are with me still

B

When strength is overcome by fear

G#m

Your presence feels no longer near

E

B

F#

When sorrow's night descends, You are with me still

E

B

F#

You are with me still, Your love will endure

E

B

F#

You are with me still, Your promise is sure

E

B

F#

You are with me still, Your mercy remains

E

B

F#

You are with me still, You give strength as I wait

B

Though favor's touch seems long ago

G#m

My calloused heart and weary soul

E

B

F#

Will turn in trust to You, You are with me still
