

Bicester Blue Fins

Amateur Swimming Club

12 July 2010

Dear Member,

It is with great pleasure that I write to inform you that Anita Wanless will be taking over the role of Club Treasurer with immediate effect.

At our AGM on 10th May this year, we failed to identify a new Treasurer to replace Teresa Mansfield. Since that time we have been reviewing the role of Treasurer and trying to identify ways we can make the role a little less demanding. Following this review, we will be making a change to the way we invoice for our swimming lessons and this, along with a few other changes have resulted in Anita being able to take up the role. She will relinquish her role as Swim21 Coordinator which she was sharing with Jane Pitts, leaving Jane to take that role on her own.

I want to take this opportunity to once again thank Teresa for the work she has done as our Treasurer. Every contribution to the running of our Club is greatly appreciated by us all and Teresa has been a great asset to the committee during her period in office.

It just remains for me to thank Anita for taking up the post of Treasurer and to wish her every success in the role. Please give her your full support and cooperation as she comes up to speed.

Many thanks

Paul Walker
