Academies: Academy are required to pay by monthly standing order.

If you already pay by standing order: update the standing order leaving your bank account on 1 September to the relevant fee above.

If you have paid by cheque up to now: a standing order form is available to download on the website under squad/fees and follow the instructions given.

To help the Treasurer to easily identify your payments from the club's bank statements, please set up a payment reference so that it may be allocated to your fees account for example use your Surname and Initials – such as "Smith, A". If the standing order is for more than one member of the same family you could use the family surname followed by the first initial of each member e.g. "Smith, A/B/C".
