SOLUTIONS FOR  
PEOPLE AND PLANET

Looking for a place to organise innovative events,  
conversations, presentations or performances?

At The Hub we host unforgettable experiences ...

**HUB** Amsterdam

more than a place!

## Cafes and Creative Sessions

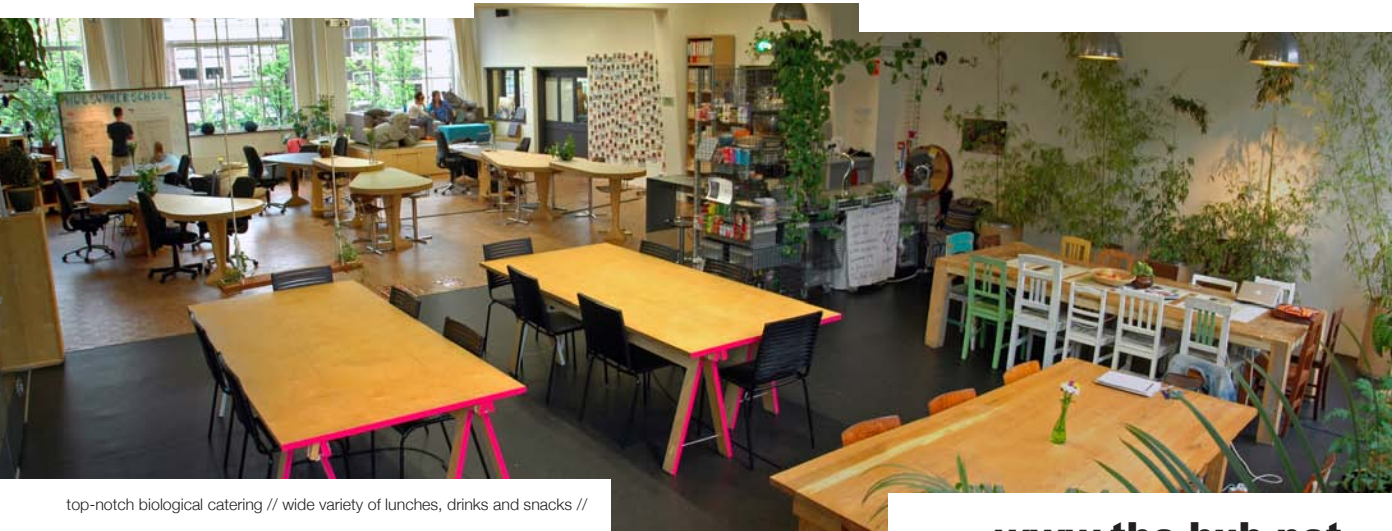

The design of our space stimulates creative interactions and combines plenary and breakout sessions. Our informal atmosphere brings out the best in your guests.

## Presentations and Movies

Using The Hub for your presentation or movie brings your message alive. The flexibility of The Hub allows either a formal or an informal space set-up for your presentations or film viewings.

## Drinks and Performances

The Hub offers a unique space for bringing people together to enjoy an evening in a relaxed environment. Our kitchen functions as a temporary bar and our lights turn the space into an evening ambience.

top-notch biological catering // wide variety of lunches, drinks and snacks //  
different space arrangements // talented performers to add a special touch to  
your event // plug & play technical equipment // whiteboards-on-wheels // the  
piano table // self-service kitchenette // event design support // facilitation support

**tariffs are available upon request**
