

Earth Day, Every Day with Clay-Dyed Fashions for the Entire Family from Earth Creations®

What better way to celebrate Earth's splendor than by wearing clothing colored from its very soil? [Earth Creations](#) offers comfy, quality apparel for women, men and children made from sustainable and organic fabrics that have been clay-dyed, using an ancient and eco-safe process. Pay the planet tribute every day by outfitting the entire family with conscious clothing inspired by and created in nature.

For Women

Offering a complete line of casual lifestyle apparel for women, Earth Creations brings skirts, dresses, tees, tanks, crops and pants to life with clay-dyed colors such as celadon, citrine and sunstone. The Infinity Skirt/Dress (pictured) exemplifies the spring/summer collection's juicy hues and seasonal whimsy. MSRP: \$72

For Men

Earth Creations organic cotton men's tees pair pure fabric and colors with plenty of personality to create the perfect everyday shirt. Available in 16 distinct designs, guys dig the carefree spirit of styles such as Give Peace a Chance (pictured). MSRP: \$25

For Wee Ones

Even the littlest steps can be green, thanks to Earth Creations organic cotton toddler and youth tees and organic cotton/hemp infant snappies. Kids will love the animal designs, many of which boast eco-friendly phrases, such as Owl Be Green (pictured). MSRP: \$20
