How do I participate in **Living Waters, October 5 – April 26, 10-11** at **The Church of The Apostles?**

Tuesday nights, 6:15 to 9:30 P.M.

- Send the completed application (attached, four pages including this one), along with a non-refundable \$50 application fee by September 30 to Beth Geary at The Church of The Apostles (address above). All checks are made out to The Church of The Apostles.
- Once your application and fee are received, an in-person interview will be scheduled.
- Once accepted, send \$450 to secure your place in the program.
- An alternative payment plan will be considered on an individual basis, but will be the exception.
- If you miss the deadline, please contact us to see if space allows us to accept your application.

The application questions are formulated to simply be an aid for the in-person interview. They barely touch on the surface of how God is using Living Waters to administer healing, break strongholds and uproot ungodly beliefs. (Please make sure to download a copy of the brochure for a more complete description of Living Waters and to read personal testimonies). Together, we can assess your level of commitment, outside support and readiness. But ultimately, God is the one who will draw you to this class, provide resources and sustain you through this healing process. Many are taken aback by the authentic and honest nature of the questions. Please know that your application will be kept confidential! Others may feel that their barriers or problems are too minor for such an intensive group. Not so, the ground at the foot of the cross is level! The cross of Christ is what this group is really about—dying to our sin and wounds, being healed by Jesus' wounds, and rising up to walk in the freedom of His resurrection! (The questions help us to see any red flags so that we may provide a safe environment for all.) Living Waters is about experiencing The Passion in authentic community! Freedom comes from resolving wounds, accountability and a grace filled, body of Christ. The men and women leaders are all former participants.

Others may feel that their pain and anger is too much to face. Let me assure you that the love of your Heavenly Father is bigger and greater than your pain. He will not uncover more than you can bear. He is gentle and His loving kindness is able to comfort you at all times.

Warning: Satan does not want you to do Living Waters, and He will put up many barriers. But, be encouraged, our God is able to help you conquer each objection, and clear the path for you to experience God's love more deeply in your heart. One common barrier is the fear of being judged, especially by others in your own church. Rest assured, every one will be asked to sign confidentiality contracts, and this is a closed group. You will only open up with your small group in a safe and confidential environment, full of grace and truth. There is no shame in seeking more of Jesus in areas where you are simply stuck! Every one of our leaders have been stuck, broken, addicted or humbled themselves, so they minister out of the place of strength only in Christ. Their testimonies are for you, so you can see His glory. Persevere in the application process. Sit down with me or Brian Maxwell to see if the program is for you.

In Christ,

Beth Geary
