ARE YOU "STUCK"  
IN YOUR RELATIONSHIP  
WITH GOD?

AN EIGHT-WEEK CLASS  
ON TUESDAY NIGHTS

A Christ-centered Ministry  
finding relational and sexual wholeness  
through the cross

## DO YOU NEED FREEDOM IN CHRIST AND CHRISTIAN JOY TO BE A DAILY REALITY FOR YOU?

Then consider taking part in CrossCurrent. Through CrossCurrent, thousands have drawn closer to God in new ways as they experienced His ability to heal even their deepest hurts. No matter what age, background, or spiritual experience, we all have broken places inside and all develop sinful coping mechanisms that wreck our lives. Through the power of the Holy Spirit, God can heal our hearts and we can begin to experience greater wholeness in our relationships with God, self, and others, and in our sexuality.

CrossCurrent is a Christian community. It is a safe place to be honest about our pain and frustration, and to go to the Cross in prayer. Only in the presence of the Most High can we receive healing from pain, loss, and rejection. Only His love and sacrifice can heal the holes in our hearts. As we are touched by the hand of God, then we are enabled to be “real” and to love others with His love, rather than out of our own needs. Only in Christ can we find security and rest.

## WHAT IS CROSSCURRENT?

CrossCurrent is a confidential and Christ-centered healing and support group for those seeking truth and grace in their walk with God, their relationships with others and their self-understanding. Featuring Spirit-led worship and biblical truth, weekly topics include God’s unfailing love, the true and false self, confession of sin, applying the Cross to our lives, and loving others. Healing prayer is an important component in both the large and small group portions of each meeting. For more in depth training, we encourage CrossCurrent participants to continue on with Living Waters, a 28-week course.

## WHO IS CROSSCURRENT ACTUALLY FOR?

CrossCurrent is for those who need help in the relational or sexual arena, including addiction to pornography, including the victims of abuse, those suffering the pain of divorce or the futility of sexual addiction, and those wishing to understand and break the grip of homosexual desire in themselves, their spouses or their children. Through worship, prayer, testimonies, and teaching, CrossCurrent will help believers replace their lust of the flesh with a zeal for purity, their shackles of bitterness with the joy of forgiveness, and their vain but empty pursuits with a call to discipleship. It provides a sound, simple guide for wholeness in Christ.

## TESTIMONIES

For me, CrossCurrent was a safe first step out of the pain, shame, and loneliness that had become my life. There, I met brothers and sisters going through the same struggles I faced, who were yet further along the path, and who honestly modeled hope, love, and self-acceptance along the way.

CrossCurrent has benefited me tremendously in helping with my sexual addiction and my identity as a person. It has brought insight to me in how I relate to both men and women. I received specific prayer for personal needs in a confidential and supportive environment. Jesus will heal your wounds in CrossCurrent.

CrossCurrent is a safe place where I can vent and learn without condemnation or rejection. I needed a place to get support and friendship in a Christian environment, and CrossCurrent is that place.

In small group each week I confessed my disbelief of God’s love and concern for me, along with my obsessive sinful thoughts. Each week, the love of Christ met me in my pain and delivered me. Slowly, but surely, my pain is being replaced by inner joy and peace that I have not been able to find any other way.

I came to the program to better understand my gay child. What I walked away with was a deeper understanding of God’s love for me, and how I can authentically love my child, as God does.
