

Dear Friend,

Here at Shepherd Valley Waldorf School, located in Niwot, Colorado, we are proud to educate and nurture children from preschool through eighth grade to be prepared for the whole of life. Our students enter high school and the adult world as confident individuals capable of making free choices, able to realize their full potential, and aspiring to make a difference in the world.

An important event in the life of our school each year is the annual Benefit Auction. On this evening, community members come together to show support for our school and to raise funds dedicated to continuing Shepherd Valley's mission to enrich our children's lives through Waldorf education. This year's event will be Come Together: a Night with the Beatles, held at the Boulder Country Club on March 6, 2010. We anticipate 150 guests to help us reach our goal of \$25,000.

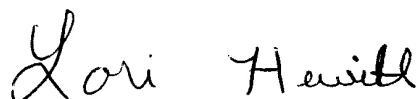

Reaching our goal depends on the generosity of the friends, neighbors, and community of Shepherd Valley Waldorf School: families, businesses and community members like you.

Please consider making a tax deductible donation to this year's auction. Your donation not only helps the school, it helps you! When you donate to the school, you will enjoy increased exposure for your business through several avenues, including our newsletter and auction website.

We thank you in advance for your contribution toward making the 2010 Benefit Auction a great success! We sincerely appreciate your support.
