

Old Testament

These studies are based on Old Testament books of the Bible, but pick up one key theme and help you to learn practical lessons for life. (In Bible Order)

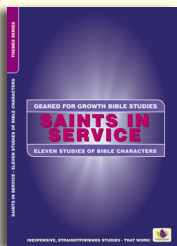

New Testament

These, as with our Old Testament series, all take one book of the Bible and again develop one key theme. There are lots of fascinating questions to help you think through the issues raised by each book. (In Bible Order)

Characters

Although all these people are pivotal to the story of redemption that runs through the Bible, they are also fallible - you and I can identify with them. Each character study helps us to re-examine our own lives and characters, and challenge us to grow as believers.

Themes

Do you need help facing real-life issues? These thematic studies are not confined to one particular Bible book as they find answers to issues that we face in our day-to-day lives.

Brought to you by WEC International

Inexpensive, straightforward Bible Studies that work!

'Geared for Growth' Bible study books have been proven as a very useful format for home study groups and personal devotions. Each book introduces the context of the study and then gives questions for the group leader or individual. There are also points for reflection and prayer. Daily questions allow meditation on each topic for the week leading up to meeting together. The series comes in four 'flavours' – Old Testament studies, New Testament studies, Characters and Themes. There's always something interesting to move onto when one study is finished! These can be used as a tool for evangelism and spiritual growth.

Each booklet: A5 | PB | **£2.99 \$4.99**
