Getting Started

Launch the chrome browser on your phone and visit : https://account.printairtimeonline.com

You can do same on the chrome browser on your computer too (laptop or desktop computer).

Alternatively, if you're using an android phone, you can download the app apk. <u>Click Here</u> <u>To Download</u>. Once you click the link, it downloads automatically to your device.

Buy airtime ePins from NetDivo or any other reliable epin dealers and save it to your phone or computer. If encrypted or zipped, decrypt and unzip to txt file format i.e .txt

Kindly note that NetDivo provides sample demo epin file to users for practice.
