

## Art Projects for Kids

# PUMPKIN PATCH

### What You Need

- White paper sized for the project (you can choose).
- Brown oil pastel and paint brushes.
- Blue and brown watercolour paint.
- Orange and green tempera paint, or other colours for different coloured pumpkins.
- Pumpkin seeds
- Liquid glue that dries clear

### The Project

- Lay down recycled paper or newsprint to protect your table from paint.
- Draw a pastel line across the page about 1/3 down to mark the border between sky and land.
- Use the watercolour paints for the sky and land.
- Leave to dry.
- Paint pumpkins of any size to make a pumpkin patch.
- Dab glue onto picture and place pumpkin seeds around the pumpkins.
- Leave to dry.

This and other art projects can be found at Liz's Early Learning Spot!
