

# BUGS: HOW MANY SYLLABLES?

## PUTTING THE ACTIVITY TOGETHER

Print off the colour or black and white version.

Cut along the grey line to separate the bug bottle.

Cut along the black lines to separate the cards. Fold on the dotted lines and glue the back sides together to form 2-sided cards.

Cut around the 3 bugs in their circles.

**FREE!**

*color & black and white*

# USING THIS ACTIVITY

Put the bug bottle and 3 bug counters in front of your child. Show them the pictures of the bugs, ask them the name of the bug and then decide how many syllables are in that word. Place that number of bug tokens in the jar. Turn the card over and count how many segments in the word to double check.
