invitation

If you are willing to Admit, Believe, and Confess then the first place to start is to openly communicate that with God. We can do that through a prayer like the following:

"Lord Jesus, I know that I am a sinner, and that I do not deserve eternal life. But, I believe you died on the cross and rose from the grave to pay the penalty for my sins. Jesus come into my life, take control of my life, forgive my sins and save me. I am now placing my trust in You alone for my salvation and I accept your free gift of eternal life. Amen"

If you prayed this prayer, please contact one of staff members. They would love to encourage you in your decision and help you in your next steps of following Jesus.

discipline

Discipline is guidance. It is to guide the child toward more acceptable behavior. Children need an extra portion of love, understanding, and an extra portion of guidance. We will be firm and fair and look for ways of counteracting trouble that may arise.

Children will be disciplined with love and appropriate instruction. Discipline will be reasonable, developmentally appropriate considering the age of the child, and in terms the child can understand. Absolutely no physical contact of any kind will ever take place. Extended or excessive time out will not be used.

We will use praise and encouragement of good behavior rather than focusing on the negative. When necessary, we will withdraw the child from the group in a calm, matter-of-fact manner.

When a timeout is necessary, it will be given in the classroom, facing the activity in the room. Time out will never occur in the hall or the corner.

If the teacher feels she has exhausted all options and the child will not comply, please notify the Children's Director. The Children's Director will notify the parents if necessary.

mission

Our goal is that every child that enters "Templetown" would experience the love of Jesus through our volunteers. Our Children's Ministry is committed to providing Jesus Christ's example of love and acceptance to the children we minister to. Additionally, we are committed to Biblical teaching to help our children grow in their love and knowledge of Jesus Christ.

We are committed to giving children the opportunity to accept Jesus Christ as their personal Lord and Savior and to encourage them to share their faith with their family, friends and neighbors. Finally, we are committed to discipling families so that children and adults grow together in their relationship with the Lord.

commitment

Staff/Volunteer Commitment to Temple Kids:

Our first commitment is to God which includes a profession of faith and relationship with Jesus Christ as Savior and Lord that is demonstrated through Christian growth, spiritual leadership and Godly lifestyle.

Our second commitment is to the Children's Ministry of Temple Baptist Church. Through this commitment we agree to support the programs and philosophy of our ministry and our church through consistent attendance at weekly services and activities.

Our third commitment is to have a teachable spirit that is exemplified by faithful studying and allowing the Holy Spirit to guide in our teaching preparation.

Our fourth commitment is to be a contributing member of a team that is praying regularly for the ministry, our church families and their children, and the ministry workers.

Our fifth commitment is to complete the screening process and agree to follow the church policies as well as the Preschool & Children's Ministry Guide.

Temple Kids Commitment to Parents:

To support each teacher in prayer and provide supervision and assistance.

safety

Children Check-In:

When available, all children should go through Child Check-In to receive their information label.

- Mark all belongings plainly with your child's name.
- Report any special needs, allergies or instructions at check-in.
- Leave personal toys at home. They make sharing too difficult and may not be appropriate for use in teaching (a security item such as a blanket or teddy bear would be an exception). Temple Kids is not responsible for lost or damage to personal items.

Dismissal Policy

Children will only be released to a parent or person with the guardian label received at Child Check-in. Preschoolers will only be released to an adult; 1st-6th grade can be released to a sibling older than 6th grade.

Parents should pick up children at their classrooms or designated dismissal **immediately** following service.

illness

Temple Kids desires to provide a safe, clean, and healthy environment for children and our volunteers. To accomplish this, the following guidelines have been implemented to help prevent the contraction and spread of infectious diseases.

Upon the recommendation of the Committee on Control of Infectious Diseases of the American Academy of Pediatrics, a child should not be taken from the home and cannot be accepted at church functions when any of the following conditions exist:

- Fever (must be free of fever for 24 hours)
- Vomiting and/or diarrhea (must be free of vomiting and/or diarrhea for 24 hours)
- Any symptoms of childhood diseases such as Scarlet Fever, Measles, Chicken Pox, Strep Throat, Flu, etc., or any infectious contagious diseases
