WHAT TEACHERS ARE SAYING:

My students needed a visual for music expectations. This was the perfect look and clean lines needed for them. It was simple and well-created.

These were just what I was looking for to display in my new-to-me music room! I wanted to have rules that spelled out Music since I also use a "music" point/reward system.

These are exactly what I was looking for! They are so well done and provide a great reminder of the music classroom expectations!

These are so beautiful! I love the idea of printing them and putting them in frames. Thank you!

Elegant and attractive. I had them photo printed as 8x10 matte for cheap. They definitely add to the calming tone of the music classroom. Thanks!

These are gorgeous and cover exactly what I wanted to emphasise for our music room. Thanks!

These rules are SO pretty and practical hanging on the whiteboard for my kids! Just what I was looking for!! Thank you!!
