## "It is a freakish wine", James Halliday

Kemenys is proud to sponsor the The Great Australian Red trophy for 'Best Wine under \$25'. The winner of the Kemenys trophy at the 2019 Great Australian Red has recently been released...drum-roll...it's the amazing Majella The Musician 2017. James Halliday exclaims that "it's a freakish wine". We need to warn you that there isn't very much of it to go around and it's an absolute steal at only \$15.95 a bottle

## Majella The Musician Cabernet Shiraz 2017

Region: Coonawarra Rating: 96/100 🍷🍷

A 70/30% blend fermented in stainless steel and oak barrels, then largely matured in stainless steel. It is a freakish wine that has been selling for around \$17-18 since it was first released in '04 and has won 7 trophies and 79 medals to date. Its duty is to be fresh, fruit-driven and medium-bodied, the tannins incidental. And so it is. Alcohol: 14%. Date tasted: Jan 2019. Drink by: 2027. Price: \$18. Rating: 95/100.

# The stars have aligned

It has not been easy (literally months of intense negotiations), but fortunately the stars have finally aligned.

There is very little that we can say about this winery, as we have been sworn to absolute secrecy, except to say that it one of the most famous in the Hunter Valley. It was named by arguably Australia's most famous winemaker.

Each year it releases its prized cellar-aged Hunter Valley semillon (fit for a queen... probably too much said). This is it here from the excellent 2014 vintage, yet it is still a baby. Wine critic Gary Walsh sees its potential noting "the promise of a very bright future and much much more to come" and recommending an optimal drinking window over the decade! Under its label this semillon is available at cellar door for \$28 a bottle. The Secret Label Hunter Valley Semillon 2014 (KSL 2072) is only \$13.95 a bottle.

Without doubt this is the best value semillon around and probably our greatest Secret Label of all time.

This estate is also renowned for its shiraz wines. In its early years its legendary winemaker used to call vineyards "paddocks". The name as stuck on various labels and here we have one of these.

The Secret Label Hunter Valley Shiraz 2017 (KSL 4926) is a magnificent Hunter shiraz. Wine critic Campbell Mattinson said "the feel of this wine as it passes through your mouth - it's something to behold. It's strung on a tight wire of acidity but cherry, plum, earth and dried herb flavours are deliciously presented, a smear of cedar-cream just the right topping". Tough-marking wine scribe Mike Bennie was equally impressed saying "good length, good intensity, feels complex and sophisticated at once. Nice wine this. Power and grace".

It's great value at its a cellar door price of \$35, but Kemenys price of \$19.95 makes this an absolute bargain red wine buy.

*"a very bright future", Gary Walsh*

### Secret Label Hunter Valley Semillon 2014 (KSL 2072)

Region Hunter Valley Rating 95/100 👍👍

Bright young floral estery thing, lime and peach, light talc chalkiness and gentle herbal twang - great fruit flavour and shape here - abridged by a minor level of youthful coarseness on the finish, but with the promise of a very bright future and much much more to come. "All in all, the 2018 vintage will be considered a standout of this decade" - Henschke

The Barossa is Australia's best known wine region, so a great vintage is big news. 2018 was a superb vintage, acknowledged far and wide as one of the regions' best-ever, particularly for their legendary reds.

A long growing season and good rains were an ideal combination for producing magnificent

fruit. Frosts in the winter followed by a burst of strong winds caused some vine damage leading to lower volumes than usual, but vintage was cause for celebration, with flavour and structure being spot on.

Wines from great vintages are snapped up quickly, so make sure that you get your share for the cellar. Don't say you weren't warned.

**Hentley Farm Villain & Vixen Grenache 2018**

**Region** Barossa **Rating:** 96/100 🍷👍

The growing popularity of grenache was reflected in its inclusion in 2019 as stand-alone class at the Sydney Royal Wine Show. Hentley Farm's 2018 'Villain & Vixen' Grenache took out two trophies for the International Guest Judge Annual Prize as well as The Stewards' Annual Prize. Wine Consultant and Sydney Royal International guest Judge, Rod Smith MW, said Hentley Farm's 2018 Villain & Vixen was a standout saying "I chose this wine because of its elegance and sense of space - not easy things to achieve with grenache. It fully and wholly achieved the two most important criteria of all for me: balance and deliciousness."

*Probably the best Australian shiraz under \$20*

**Secret Label Barossa Valley Shiraz 2018 (KSL 2138)**

**Region** Barossa Valley **Rating:** 96/100 🍷👍

Wow. This is a contender for the best Australian shiraz under \$20. The two valleys which make up the Barossa are very different in climate and dirt. The cold mineral soils in the west provide acidity to grapes and tough minerality to the wine which gives the backbone for ageing. The warm red soils of the northern Barossa Valley complement this by giving fleshy generosity of palate and when the two valleys are combined the wine really comes alive. This shiraz is proof that the blending of the two together can create a shiraz that is uniquely complex with great finesse. We had this alongside the John Duval Entity and it showed great similarity. It is not John Duval but the masterpiece of another famous former Penfolds red winemaker. Enjoy.

**St Hallett Shiraz Grenache Touriga 2018**

**Region** Barossa Valley **Rating:** 93/100 🍷👍

Alluring, succulent, spicy and a tad exotic. An enticing blend of Shiraz (65%), Grenache (26%) and Portugal's famed grape Touriga (9%) sourced from the southern Barossa Valley. A spectrum of bright red fruits and supple tannin from the Shiraz combines with the generous juicy raspberry flavours the Grenache. Touriga Nacional complements perfectly with rose petal and floral-like spice. It has a bright personality and so easy to drink. Just perfect for immediate enjoyment with game, particularly duck, smoked meats, red meat dishes and hard cheeses.

One of the Barossa Valley's best family owned wineries. Their flagship shiraz is one of Australia's most highly regarded icon wines. This is their Estate Shiraz which is sourced from their three vineyards on which some vines were planted over 100 years ago. Luscious shiraz. It is full bodied and rich. The palate flavours of mocha and dark chocolate are deep and lasting. Approachable now but will age well over many decades. Classic Barossa Shiraz from the stellar 2018 vintage.

**Secret Label Barossa Valley Mataro Shiraz 2018 (KSL 2617)**

**Region** Barossa Valley **Rating:** 95/100 🍷👍

This boutique winery was founded by two good mates, one the Chief Winemaker with a major winery (and a past winner of Barossa winemaker of the year), the other with a passion for wine. The label only started in 2006 and the brand has grown to receive 5 star status in the James Halliday Wine Companion. A blend of the classic Barossa varieties Mataro (71%) and Shiraz (29%). Red with purple hues leads to a lovely bright nose. An array of aroma's, dark cherry, spice, confectionary, and earth. The palate is juicy and fleshy with lovely fruit sweetness. Mataro tannins kick in later in the mouth and adds the texture that gives the wine balance. This is a serious red that will cellar for over a decade.

## TUESNER 2018 RELEASE

Kym Teusner is a Barossa Valley 'young gun' going places in a hurry. After completing his wine studies, Kym worked for some high profile producers before his attention was drawn to the plight of Barossa growers with vineyards full of gorgeous old vine shiraz, mataro (aka mourvedre) and grenache. These growers had been 'ripped off' over many years by the big company producers who were paying them a pittance for their superb grapes. In 2001 Kym joined with brother-in-law Michael Page in founding Teusner Wines, looking after the growers, and most importantly, making a wide range of uniquely Barossan wines which have received rave reviews and significant wine show success.

Teusner wines are invariably top quality, but the superb results from their 2018 vintage have catapulted the wines to another stratosphere. Make sure you stock up the cellar with these beauties. You'll be reaping the results for years to come.

Barossa Shiraz holds uber celebrity status, meaning Cabernet Sauvignon is often overlooked. Barossa cabernet is hugely underrated. Gentleman leads the way with structural power and fruit elegance. The colour is a deep crimson-purple, and the volume of cassis/blackcurrant fruit is very impressive. Wine in half-bottles is a very handy thing. How often have you arrived home from work, felt like a relaxing glass of wine, and changed your mind because you didn't really want to open a full-sized bottle. You would have opened a half-bottle in a flash.

'Halves' are also great to take restaurants. The reduced volume allows you to choose a few different wines to match various courses, without any wastage.

I've long adored Brut Premier, a masterful presentation of impeccably ripe fruit of intricate balance and abundant appeal: a dependable bargain in the non-vintage champagne stakes... an excellent Brut Premier that captures the depth of Roederer in red fruits, proclaiming a little more pinot noir than usual, with all the biscuity, brioche and ginger complexity of deep reserves in barrels. Region Champagne  
Rating: 97/100 🍷🍷🍷

The thrilling energy of this splendid season charges it with a vibrancy and definition that places this blend on a plateau elevated high above even the lofty heights that this cuvee has attained under the new Charles Heidsieck. In searching for any other entry non-vintage cuvee to which to compare it, I can fathom none short of the mesospheric heights of Krug itself. In sheer age (current Krug Grande Cuvee is only one year older) and depth of reserves, this Charles Heidsieck splendidly upholds its elevated position among Champagne's richer NVs... In sheer, breathtaking calibre for the price, this is the greatest Charles Heidsieck Brut Reserve I can remember. It deserves to be the house champagne we all have chilled perpetually at the ready this year. Rating: 96/100.

Region Coonawarra Rating: 96/100 🍷👍

Deep, rich, dense colour, still with a solid tinge of purple; the bouquet is all about cassis and vanilla, with a subtle tinge of mint. A subtle hint of char-oak. It's very concentrated, firm and tight on the palate, with intensity and focus. The tannins are full and firm, albeit ripe and rounded. Blackberry and cassis. A very good wine and well worth cellaring. It should be long-lived. It's developing slowly. Alcohol: 13.5%. Closure: screwcap. Drink: 2015 to 2045. Rating: 96/100.

# THE COONAWARRA

Coonawarra's agricultural future was commenced by settlers in the 1800s who recognised the potential of its rich terra rossa soils. Scottish settler John Riddoch planted Coonawarra's first grapevines way back in 1891. Thanks to the persistence of more recent pioneers of the region, such as the legendary David Wynn, Coonawarra is now one of Australia's most admired premium wine regions.

Cabernet sauvignon has long been the crowning glory of the Coonawarra region, vying with Margaret River as Australia's finest, but Coonawarra shiraz also excels with complex, beautifully structured expressions.

The oak, classy and tighter grained here (18 months, all French; 43% new). The fruit, more restrained: currant, mulch, bitter chocolate and truffle. The structural bow, of greater tension. This is linear, precise and long. Very good. Again, the pH and tannin management, far better than in the past. This will reward mid-term cellaring. It is good to see that Coonawarra, or at least at this address, is finding swagger again. Closure: screwcap. Date tasted: Mar 2020. Drink by: 2028. Price: \$35. Rating: 93/100.

Since 1952 this shiraz has long upheld Wynn's reputation as the premium producer of Coonawarra shiraz. The 2015 vintage is bang on and is a classic release of this much-loved wine. Aromas reminiscent of ground black pepper, mulberry and raspberry, with blackberry at the riper end of the spectrum. Oak enhances complexity, without dominating its distinctive, cool-climate character. The Heathcote Wine Region was founded in the 1850s, and is located about 100 kilometres north of Melbourne between the Goulburn Valley and Bendigo regions. It sits at elevations between 160m and 380m, with the majority of soil under vine being Cambrian, an ancient red and deep soil with excellent water retention. Heathcote is particularly famous for its unique shiraz wines, but is also excelling with tempranillo and Rhone-style blends.

### Tyrrells Rufus Stone Heathcote Shiraz 2018

Region Heathcote Rating: 93/100 🍷🍷

After over a century of producing stellar wines exclusively from their 'home' region, Tyrrell's one of Australia's most prominent family producers made their first wine from Heathcote shiraz in 1997, having long admired the wines from this famous Victorian region. The late legendary wine critic John Fordham says this "decision to source shiraz from Victoria's Heathcote region two decades ago has been vindicated many times over. The deep rich colour of this wine indicates its intensity. The nose is full of ripe plum and dark cherries with a hint of white pepper and sweet vanillin. Tellurian Wines is a Heathcote newcomer, with its first vintage being in 2008. Shiraz was their first planting, but over time they have added Rhone varieties such as grenache, mourvèdre, carignan, and other Italian varieties which are perfectly suited to Heathcote's continental climate.

At the 2019 Heathcote Wine Show, Tellurian cleaned up a total of 6 trophies between the Tellurian GSM 2018 and Tellurian Redline Shiraz 2018.

The wines represent insanely good value for such exemplary quality.

Heathcote's warm days, cool nights and ancient Cambrian soils bring out the best in these varieties, the backbone of the Rhone Valley reds. ## NEW ZEALAND PINOT NOIR

In the space of a few decades, New Zealand has become one of the elite pinot noir producers of the world. The southern, cool climate areas such as Central Otago, Marlborough and Martinborough are the most recognized and prolific producers of fine pinot.

The diversity of regions, with its plethora of micro-climates, makes for an absolute smorgasboard of styles from which to choose.

## MARTINBOROUGH

Located in the south of New Zealand's North Island, Martinborough is a small sub-region of the Wairarapa, which provides superbly distinctive pinot noir. A long, even growing season and ideal mineral, free-draining soils make for pinot noir of intensity and classic structure.

Over the last two decades, there has been a rebirth of the variety, with vines being carefully matched with ideal sub-regions. # MARGARET RIVER BLENDS

Margaret River is as famous for its signature blends as it is for its single varietals. With its iconic blend of semillon and sauvignon blanc, Margaret River created one of Australia's favourite white wine styles. A fresh, zingy, generally unwooded blend, it perfectly matched our sunny climate and cuisine. Over the last decade, there have been some seriously complex wooded expressions which can reward extended cellaring.

Straight Cabernet sauvignon was usually the big ticket from Margaret River, but it's now fair to say that the very best Margaret River red wines are cabernet and merlot blends. In this region there's a magical synergy between these varieties which leads to a unique combination of intensity and sheer elegance. These reds are truly world-class and are stunning value when compared to Bordeaux wines of similar quality.

## MCHENRY HOHNEN

Founded by Murray McHenry with Cape Mentelle's David Hohnen, the winery has three vineyards dedicated to the regions premier varieties - cabernet sauvignon and chardonnay - as well as merlot, zinfandel, grenache, petit verdot and mataro. Managed using biodynamic methods, McHenry Hohnen is dedicated to producing outstanding wines of distinctive regional character.

## CULLEN

Established in 1971 by Kevin and Diana Cullen, Cullen Wines was a pioneer of the Margaret River wine industry. Cullen have been a cornerstone of the region, in particular with its majestic cabernet blends and chardonnays. Today the winery is under the safe stewardship of the founders' daughter, Vanya Cullen, who continues to boost wine quality to stratospheric levels. Cullen's Diana Madeline is regarded by experts as one of Australia's great reds.

## VASSE FELIX

Vasse Felix was established as Margaret River's founding wine estate in 1967 by Dr Tom Cullity. All wines are grown in Vasse Felix's four Margaret River vineyards then vinified and bottled within the modern winery, situated at the Home Vineyard overlooking the Wilyabrup Brook. Vasse Felix's mantra from its beginnings was "to make the best possible wines". Under the watchful eye of chief winemaker Virginia Willcock and Viticulturist Bart Molony, Vasse Felix fulfils the brief.

Region Margaret River Rating: 95/100 🍷🍷

There's been plenty of media attention paid to the quality and longevity of the Pierro LTC in the last couple of years. The 'sold out' sign seems to go up earlier each year as well. The LTC seems to defy expectation and, in 2018, there is a brightness and an immediacy that makes it appear overtly delicious. West Australian wine critic Ray Jordan declared this "one of the punchiest and most powerful expressions of this wine" that he could recall. It's less restrained than usual. There is an intensity and concentration of flavour, a touch of lemongrass, some zingy tropical fruit flavours, all balance, fleshy texture and a crisp, zingy, ultra-dry finish that lingers. Some may find this irresistible - and who can blame them.

### McHenry Hohnen BDX 2018

Region Margaret River Rating: 96/100 🍷🍷

The BDX is a small batch blend of Bordeaux varietals created from an outstanding vintage for the Margaret River region. BDX is an abbreviation of "Bordeaux" and refers to the blend being crafted from the traditional varieties of the famous region, namely: Cabernet Sauvignon, Merlot, Petite Verdot and Malbec. This is one seductive Bordeaux blend. It reveals ripe cassis fruits with lifted floral notes of crushed violets. Layers of dark fruits give way to underlying creamy mocha nuances framed with velvety tannins, leading to a long lingering finish. Extraordinary value in comparison to top Bordeaux. McHenry Hohnen's top seller for a reason.

I've been waiting for this wine to be released, knowing how good the 2018 vintage was in Margaret River. In fact, it goes further than my lofty expectations. A wine that will drink well into the second half of this century. Rating: 99/100.

#### Pewsey Vale Eden Valley Riesling 2019

**Region:** Eden Valley **Rating:** 93/100 🍷

It seems that the folks at Pewsey Vale can do no wrong. We've been very impressed with the previous three vintages, which were wearing multiple awards and high praise from critics. For South Australia, 2019 was a great vintage, and this wine clearly shows the benefits. Intense lime with more subtle floral aromas. It's broad and accessible - ripe citrus with a richness that defies its age. Acidity is bright and the wine is dry and confident. As usual, riesling is Australia's best value variety. A wine of this quality, at such a low price is outrageous.

# LATTA

"It does not happen too often but occasionally a new winery pops up that just instantly blows your socks off, which happened earlier this week. Latta Vino in Western Victoria. is one of the new breed of low intervention winemakers popping up all over the country, which can be a bit hit and miss. And this one....HIT!" - Angus Hughson - winepilot.com

Latta wines has been at the forefront of the 'natural' wine revolution for nearly a decade. With a stunning range of hugely fascinating and vibrantly 'different' expressions, their wines are attracting a large following. Anyone looking for excitement outside 'traditionally' crafted wine styles, will find plenty to love in Latta wines.

## Latta Vino Tranquil Rosé 2019

**Region:** Great Western **Rating:** 96/100 🍷🍷

Are you looking for a winter rosé fix? A bit of serious rosé action that is chilled but also savoury to match the season? Then look no further than what is a brilliant wine. Lata is a new label for me. The byline is wine, natural wine, unfiltered and un-tinkered. This rosé is not natural but it absolutely has the thumbprint of low intervention. It's hazy; there is an oxidative edge but it all fits together in what is a beautiful peach skin coloured package of Nebbiolo and Sangiovese. The wine is gently aromatic and highly complex and Tranquil too. Earth, sour cherry, spice and floral aromas - all savoury and hearty. On the palate the Nebbiolo acidity shines through in an angular style that drives the savoury, almost feral fruit for a long, satisfying finish. Loved every drop and was a little sad when the wine was done. Best rosé in the country this year? Could be.

For this stunner, Owen extends beyond the family vineyard in Ballarat to source of some of the country's classiest Nebbiolo grown at the Malakoff Vineyard in the Landsbrough Valley in the Pyrenees. Just released and not yet reviewed by wine critic Gary Walsh (who is well known for reviewing nebbiolo) but he gave the 2017 vintage 95 points and this is considered to be every bit as good (probably better). It was there that his love of Montepulciano began, and those memories have inspired him to make this Aussie version from fruit grown in the Adelaide Wine critic Campbell Mattinson says "Big heavy bottle. Big heavy wine... the core is dark and beely but game and orange rind characters lend this some extra spark. Indeed as it breathes lavender and leather notes come to the fore, offering yet more interest. It's tough and tannic in personality but it's also pretty and complex. It has a fair bit to offer". Only serious structure can contain this kitchen of flavour and it does so spectacularly. A wine of immense interest.

## Glenmorangie Signet Whisky (700ml)

A blend of Glenmorangie's oldest whisky - distilled over thirty years ago in a selection of the world's finest casks. This is undoubtedly the richest whisky in the Glenmorangie range. A strong Aruba espresso fused with a treachy plum pudding, rich with sherry, and candied orange peel. There is a contrast of rich sweetness with an explosive crackle of sizzling spices and bitter mocha. As Jim Murray (author of the Whisky Bible) famously said "this has to be Morangie Untraditional. An entirely different direction for this malt thick oak, intensity unique not just to the distillery but any other Highland malt I can think of, believe me, you are in for one hell of a show."

Bleasdale's founder, Frank Potts, purchased the first two parcels of land here on April 4, 1850, and it was on these 217 acres that he would begin the Bleasdale story. South Australian blend of Grenache, Shiraz and Verdelho aged for 10 years in small oak casks under this historic winery's hot tin roof. I'm so glad someone has taken notice of this bargain and brought it into the UK for us to enjoy. Bright orange. Very sweet and satisfying for the end of Christmas lunch. Very very slightly syrupy with lots of tropical flower aromas. Like fermented crystallised rose petals. Fun! But quite dry and pungent on the end. Very good value. Alcohol 18.5%. Rating: 16.5/20.

# Ripping Riesling

Well known wine writer Max Allen quite correctly claims that Australian rieslings are “remarkably undervalued in this country...given the quality”.

Dry, taut Australian riesling is one of our favourite drinks, especially in warmer weather being the ultimate accompaniment with seafood. Top Australian rieslings are unique, world-class wines of a quality which should bring much higher prices compared to all the world’s other great

wine styles. It’s a wine-style which perfectly suits the Australia’s climate and lifestyle.

As a youngster its dry, fresh citrusy flavours, clean acidity and relatively restrained alcohol make it such a refreshing drink any time, and it matches a wide variety of cuisines. The compelling flipside is that riesling can cellar for decades, in the process building complex, toasty bottle aged characters.

# Pink

Rosé is the wine style making waves throughout the world. Its fan base is enormous and growing exponentially and the number of producers jumping on the bandwagon is also on a steep rise. Rosé is such a great drink. It's refreshing, food friendly and versatile in its method of service. You can get yourself a serious rosé, or something to suit a more frivolous mood. Something pricey or a rose on a budget.

Great rosé can be made from any red grape variety. Of course, Provence is the spiritual home of rosé where grenache, mourvedre, cinsault and syrah build the world's most famous pink wine. Italy generally relies on nebbiolo and sangiovese to make their dry and spicy rosés. In Australia and New Zealand, it's a case of 'anything goes' and it makes for a fascinating range of seductive wines which could include anything from pinot noir and the Italian and Spanish grape varieties, through to cabernet sauvignon or shiraz.

## Dom Perignon Vintage Millesime Brut 2008

Region Champagne Rating: 98/100 🍷

The wait is over - the 2008 Dom Perignon has arrived. Influential US wine critic Jeb Dunnuck says "this is a legendary Dom that surpasses all the great vintages of Dom I have experience with, including the 1990, 1996, and 2002". The 2008 Dom Perignon is the first time the estate has released a wine out of order (the 2009 was released before the 2008) but the estate loved the wine so much they felt it warranted additional aging. It is a rich, powerful wine that still shows incredible purity and elegance. Jeb goes on to say that "what I admire most about the 2008 is the way it shows all the focus, translucence and energy that is such a signature of the year, and yet it is also remarkably deep and vertical. In other words, the 2008 is a Champagne that plays in three dimensions" and, for wine collector, he also predicts a drinking window to 2058. It is a must-have champagne reserved for that special occasion.

## Purple Hands Shiraz 2017

**Region:** Barossa Valley  
**Rating:** 94/100

Open ferment, basket pressed, 18 months in French oak. From a master tempranillo maker comes a wine that is very well-suited to the dry summers of Heathcote. No problem with colour – deepest purple, almost black. Deep, dark red/purple colour with a gun-flinty, machine-oil overtone to the bouquet. There are black fruit aromas beneath. Dark crimson with pale crimson edges - poised. The bouquet is complex with a mix of dark and red cherries, toasty oak influence, red licorice and bunch-spice. # KEMENYS SECRET LABEL

The producer of these 'Heritage' wines is one of the country's oldest and most famous. They first blended grapes from multiple regions to in 1865 because they believed that blending grapes with different characteristics would complement and enhance the qualities of each in the final wine. So began the company's rich blending heritage. With each new blend a unique code was created starting from A001. They continue to evolve, providing the very best multi-regional, varietal wine from each vintage.

## Secret Label Clare Valley Shiraz 2017 (KSL 6385)

Region Clare Valley Rating: 96/100 🍷🍷🍷

When an overseas order for a winery's flagship, reserve shiraz is suddenly cancelled - it is our Nirvana. Indulged with 2+ years maturation in oak (30% new) the powerful nature of this release is yet to be fully tamed. Give it some air, the aromatics of this wine build with time in the glass. Time will bring great rewards although we are already seeing a restrained elegance in what is actually a very rich, brooding shiraz. A rich creaminess sits up front and that briar, spice and darkest berries continue onto the palate. Nothing prickly about the tannin structure though; they have benefited from being afforded extra time in oak. There is great weight to this baby, leaving lingering spiced plum fruit and gentle savoury notes on the finish. Pure indulgence for big red lovers.
