

BEGINNING PIANO

Piano Keys Are A Breeze!

ENCOURAGE LEARNING

- **11 activity pages help beginning pianists review the white piano keys in interactive ways.**
- **Coloring, writing, circling, labeling, and more!**

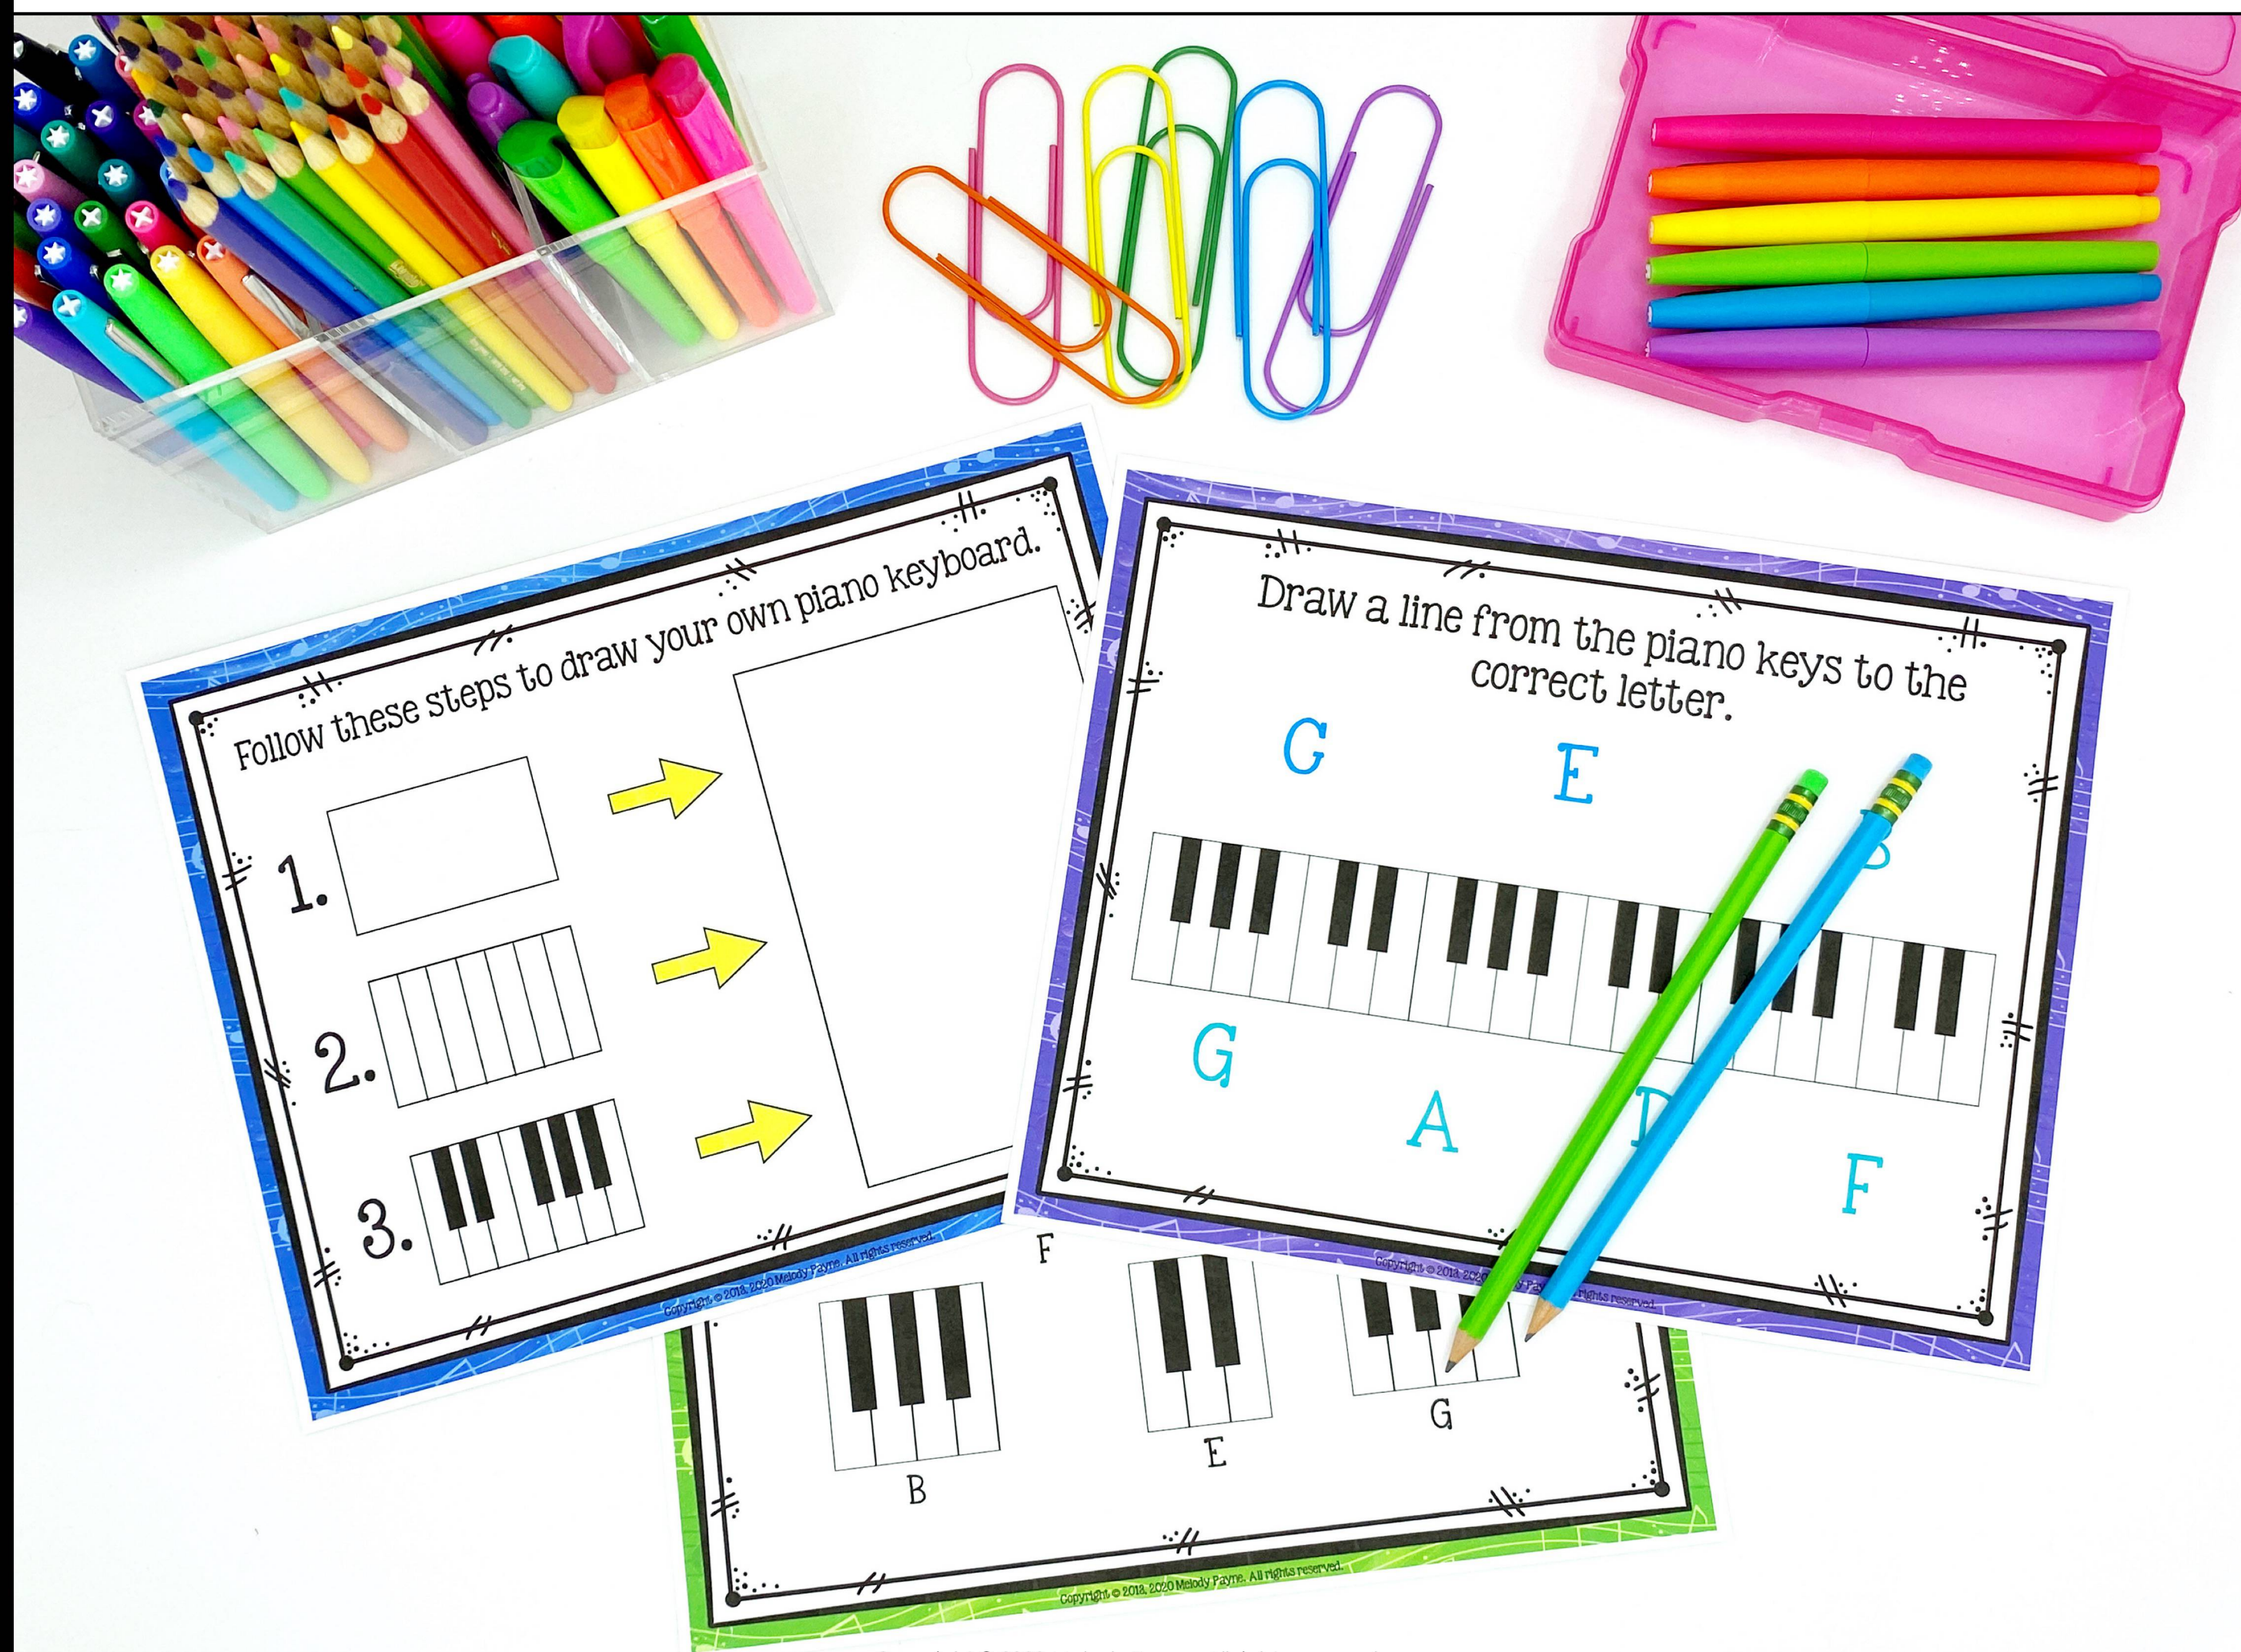

GREAT FOR ANY AGE!

- **These worksheets don't feature any childlike clipart, so they are perfect for any age learner: preschool, elementary, high school, and more.**

EDUCATIONALLY SOUND

- **These worksheets were created on the basis of good pedagogy, so your students will benefit from them in a variety of ways!**

MULTIPLE OPTIONS

- Includes color, black and white, and answer keys.
- Print onto white paper or use colorful paper to save color ink and make this resource pop!
