

Live Phone Tracking, GPS Progress Alerts and Cheers!

Make sure you download the RaceJoy mobile app for Live Rider Tracking at the Bike to Beat Cancer.

Some key RaceJoy features include:

GPS Progress Alerts

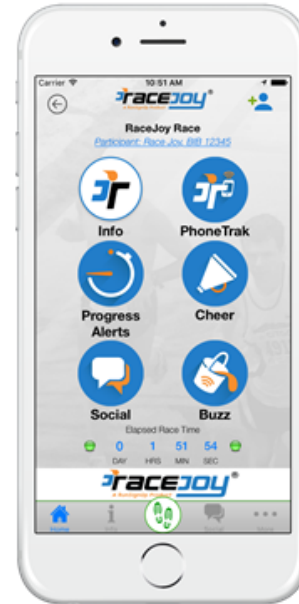

- Receive continual progress updates as you complete the course! Audio updates are typically sent at every mile and include pace, elapsed time, and estimated finish time.

Live GPS Tracking

- Supporting spectators can track you live in a map view as your progress along the course. You can track others as well.
- NearMe alerts let spectators know you are drawing near.
- Find each other using the MeetUp tool.

Send-a-Cheer

- Receive fun, motivational audio cheers from your supporting fans.
- Send custom cheers with RaceJoy's new Text-to-Cheer.
- Start sending cheers to others doing the ride at any time!

Available for Apple and Android devices.

Share RaceJoy with your friends and family and ask them to sign in as a spectator. If you carry your phone, they can track you live from home or at the ride site.
