WHAT TEACHERS ARE SAYING:

This has been the perfect resource to get information out to my students' parents. The format and design fit my personality well. Really enjoy them!

These are TOO cute!! I love them even for my middle school parents. Include so much room and organized. TY!

Love these!! My kids love them too. They get so excited when they see the bright colors. They know something is going home that day. Thank you!

These are so adorable, and easily editable! I love them!!!

I LOVE THIS! The editable monthly forms are exactly what I was looking for. Cute AND functional! Win-win!

These are going to be great for my first year. Saves me a lot of time by already being fun and creative!

Great resource! I have been using it all year, and have received lots of positive feedback from parents.
