## WHAT TEACHERS ARE SAYING:

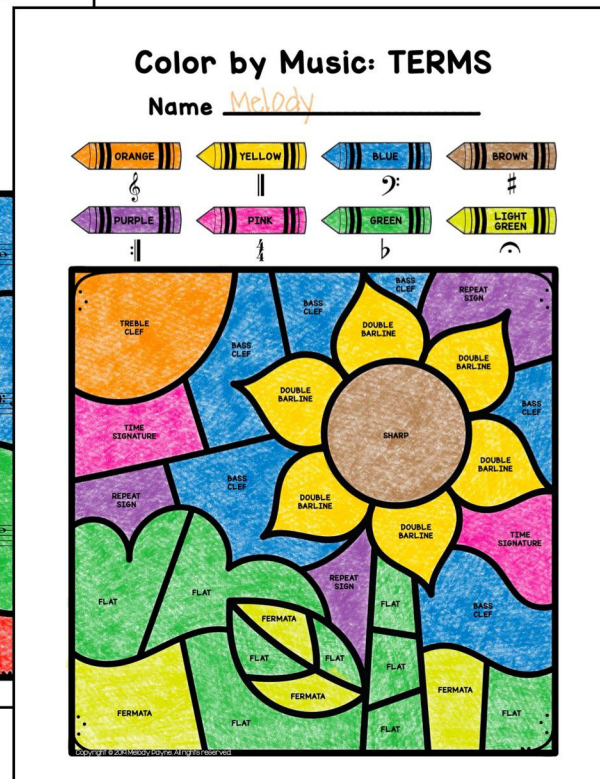

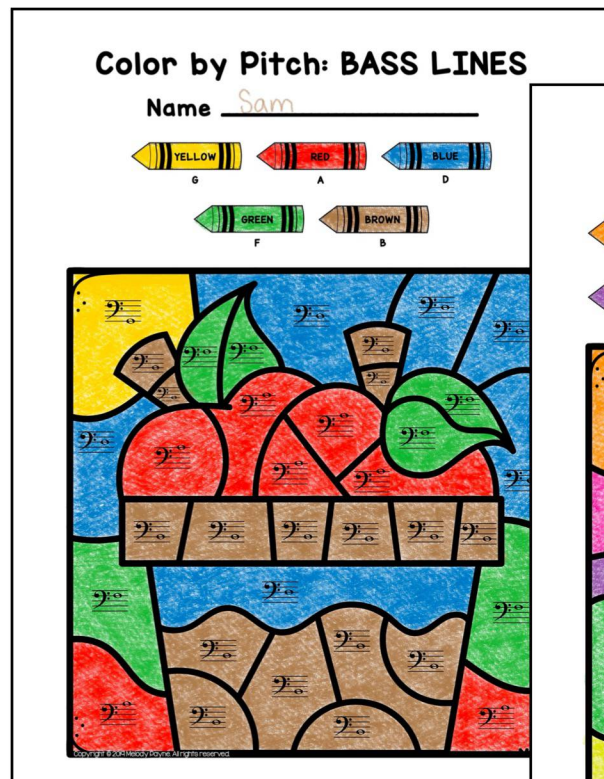

I use this resource as an activity for one sibling while the other sibling is having one-on-one piano lessons. These sheets keep them focused & learning. I'll be buying more. Thank you!

# AUTUMN SCENES

- **23 coloring pages: Dynamics, music symbols, terms, note values, pitches (treble, bass, alto clefs), piano keys, piano finger numbers, plus answer keys.**

## WHAT TEACHERS ARE SAYING:

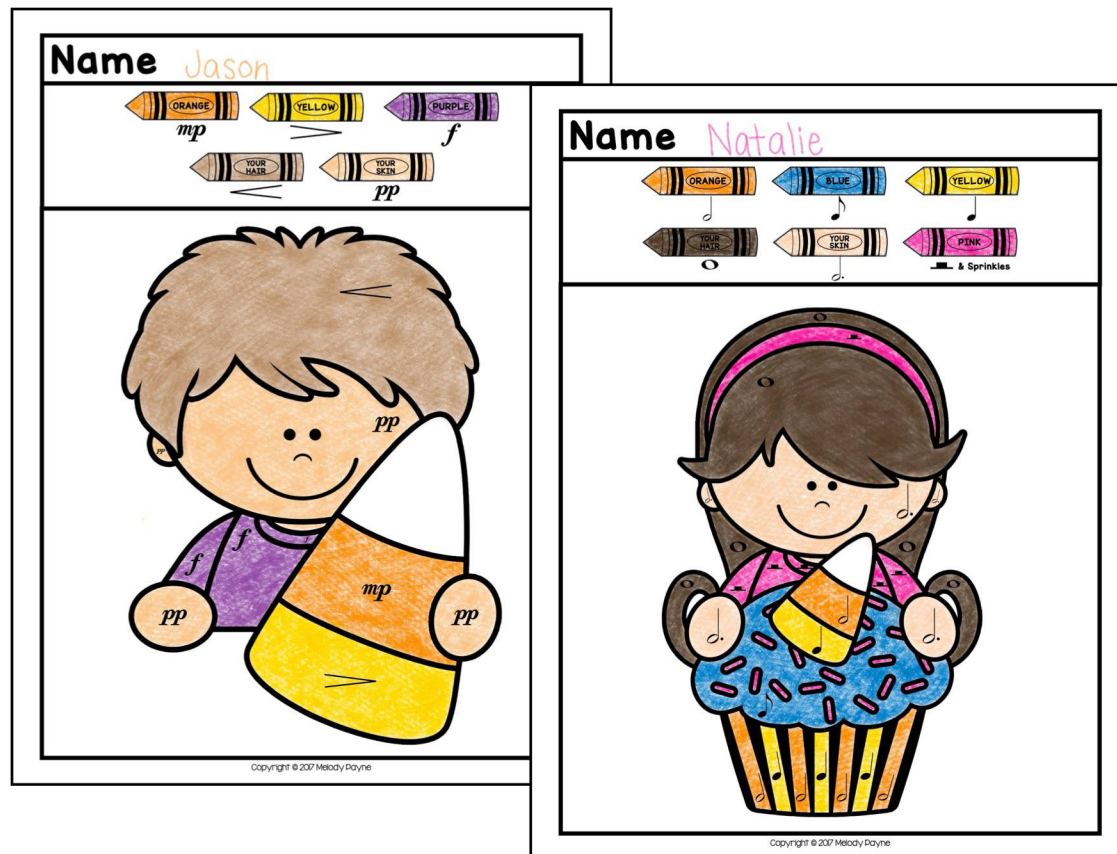

I like being able to preview and choose the pages needed for each individual. I appreciate that some of the pages include definitions after they have worked through recognizing the symbols. This makes it usable with a wider range of ages.

# PUMPKINS & CANDY CORN

- **Color by notes and dynamics: 6 pictures in 4 ways!**
- **Symbols, symbols + terms, with and without additional backgrounds to color to create a longer activity.**

## WHAT TEACHERS ARE SAYING:

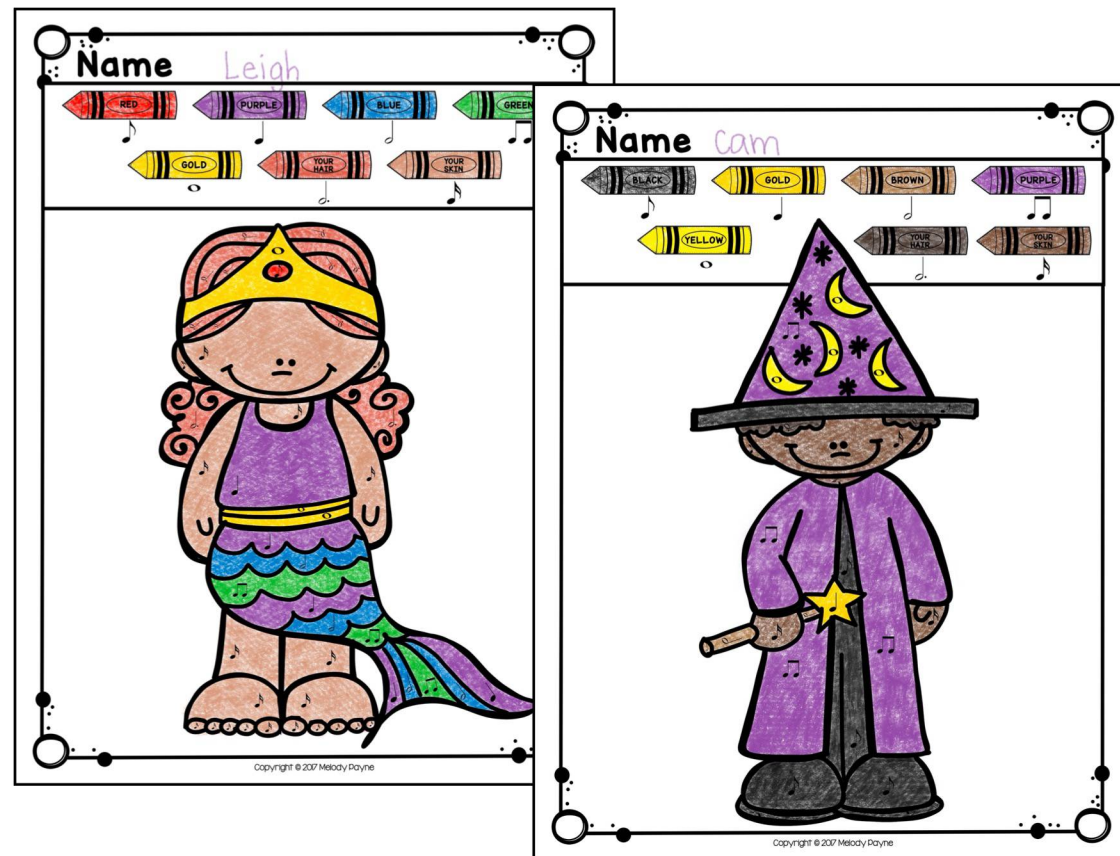

Cute graphics! Easy to leave for a sub or for an assessment. Love the different levels as well.  
Thanks for a great product!

# HALLOWEEN COSTUMES

- **10 pages: Note values in the keys and coloring images**
- **10 pages: Terms in the keys, and note values in the coloring images**

## WHAT TEACHERS ARE SAYING:

These were easy and fantastic to leave with my substitute! Thank you!

# 12 DAYS OF CHRISTMAS

- **12 coloring pages: Piano keys, rhythmic values, solfege, dynamics, music symbols, parts of the grand staff, treble notes, bass notes, percussion instruments.**

## WHAT TEACHERS ARE SAYING:

These were perfect! My piano students used these during the holidays when they were waiting for their lessons. I also included them in the theory pack that I send home over the holidays. Worked well for differentiation in my classroom.

# GINGERBREAD COOKIES

- **20 pages of treble, bass, and alto clef notes, music symbols, piano keys, solfege, and rhythm!**
- **Quick and easy coloring sheets for a variety of ages.**

## WHAT TEACHERS ARE SAYING:

Thank you for this! It was so great for giving kids a little brain break before winter break, but also for reinforcing music symbols. These were great little activities to keep handy for weary students during the busy concert season! Thank you!

# CHRISTMAS LLAMAS

- **10 pages of treble clef notes, 10 pages of bass clef notes, 10 pages of alto clef notes. Students identify the pitches, sight-read or sight-sing, and name the song.**

## WHAT TEACHERS ARE SAYING:

My students loved it! Thank you for the resource!

# CHRISTMAS SWEATERS

- **20 pages: Dynamics, note values (American and UK terms), music symbols, piano keys, solfege, treble clef notes, bass clef notes, alto clef notes.**

## WHAT TEACHERS ARE SAYING:

GREAT resource! ugly sweaters are always fun and the worksheets come in easier and harder versions depending on your kids levels! My students loved using this resource. It helped a lot when I needed a sub or when we needed a closing activity.
