Follow the instructions below to submit a manuscript to the Chemical Technology, Control and Management. Shortly afterward, you will receive an email confirming your submission.

The submission process consists of the following steps:

1. Read and accept the Article Submission Agreement
2. Provide information about yourself
3. Provide information about any authors
4. Upload your article and related items

Before you begin, please be sure you have the following items:

- ▣ **Article Title**
- ▣ An **abstract** (separate from the article body)
- ▣ **Keywords** for your article (optional)
- ▣ **Article in one of the following formats: Microsoft Word, or RTF.**  
Articles must be submitted without a title page, abstract, or page numbers. These will be provided by the system.

This is especially important so that you do not include any identifying information about the authors, as the article you submit will be sent to reviewers.

No part of the submission is final until all steps have been completed and you click the final **Submit** button. The review process begins as soon as Chemical Technology, Control and Management receives a readable article, along with the abstract and article title. You may revise any of these elements later by clicking the submitted article's title on your **My Account** page.

This page introduces the procedure and conditions for submitting an article to the "Chemical Technology, Control and Management" journal.

**Диққат!!!**  
Бизнинг журналимиз “double-blind peer review”  
(муаллифларни ва рецензентларни ошкор қилмаган ҳолда) этик талаби асосида мақолаларни қабул қилади, шу сабабли Мақолангизнинг асосий матнида муаллифларни ёзманг! Бу қатий талаб, акс ҳолда мақолангиз қабул қилинмайди

Жўнатмангиз учун рахмат

Follow the instructions below to submit a manuscript to the Chemical Technology, Control and Management. Shortly afterward, you will receive an email confirming your submission.

The submission process consists of the following steps:

1. Read and accept the Article Submission Agreement
2. Provide information about yourself
3. Provide information about any authors
4. Upload your article and related items

Before you begin, please be sure you have the following items:

- ▣ Article Title
- ▣ An **abstract** (separate from the article body)
- ▣ **Keywords** for your article (optional)
- ▣ Article in one of the following formats: **Microsoft Word**, or **RTF**. Articles must be submitted without a title page, abstract, or page numbers. These will be provided by the system.

This is especially important so that you do not include any identifying information about the authors, as the article you submit will be sent to reviewers.

No part of the submission is final until all steps have been completed and you click the final **Submit** button. The review process begins as soon as Chemical Technology, Control and Management receives a readable article, along with the abstract and article title. You may revise any of these elements later by clicking the submitted article's title on your **My Account** page.

В этой ссылке приводятся порядок и условия подачи статьи в журнал "Chemical Technology, Control and Management".

## Article Submission Agreement for *Chemical Technology, Control and Management*

### Warranties & Ownership Overview

Please review the following submission agreement ("Submission Agreement") and indicate your agreement below.

Thank you for submitting an article to *Chemical Technology, Control and Management* (the "Journal").

### To submit an article (the "Article"):

1. You must be the author, or the authorized agent of the author(s) and copyright holder (if different from the author(s));
2. the author(s) must have approved the work for publication;
3. the author(s) must have agreed to submit the article to the Journal;
4. the author(s) must accept full responsibility for the content of the Article;
5. the Article must be the Author(s) original work and must not contain any libelous or unlawful statements or infringe on the rights or privacy of others or contain material or instructions that might cause harm or injury
6. the Article must not have been previously published, is not pending review elsewhere, and will not be submitted for review elsewhere pending the completion of the editorial decision process at the Journal.

By submitting the Article, you represent and warrant that the above are true.

Each article submitted will undergo the Journal's editorial decision process. The Journal is not under any obligation to publish the Article. We will send you notices at the email address associated with your account.

If the Journal agrees to publish the Article, in order to expedite the publishing process and enable the Journal to circulate your work to the fullest extent, you hereby agree that upon publication, the following is automatically assigned to the publisher: all copyright in and to the Article for the full term of the copyright and all renewals and extensions.

This is subject to generous personal-use exceptions and attribution and usage policies as described in the [Journal policies](#).

By clicking **Accept** you agree and consent to the Submission Agreement and the [Journal policies](#).

For complete details about refereeing obligations, rights, and warranties, see [Chemical Technology, Control and Management policies page](#).

Please click **Accept** if you accept the policies and terms of this agreement, and continue with the next step in the submission process.  
Please click **Decline** if you do not accept the terms.

Если Вы согласны с данными условиями и хотите отправить статью, то необходимо нажать кнопку **Accept**, в противном случае стоит нажать кнопку **Decline**
