

Grade I November Newsletter

EL Alsson British and American International School

Developing 21st Century Citizens

Dear Parents,

We are very happy that our students have settled in and are showing their enthusiasm for learning! It's hard to believe that the second month of school is over! We had such a fun and busy month!

We take this opportunity to thank all the parents who attended our Progress Parents Meeting. It was a great pleasure meeting you all.

The Grade I Team

Math

During this month, our first graders will continue working on addition facts as well as problem solving strategies. They will also learn to extend a counting sequence starting at any number up to 120, and develop an understanding of Tens and Ones.

History & Geography

Learning MAP Skills

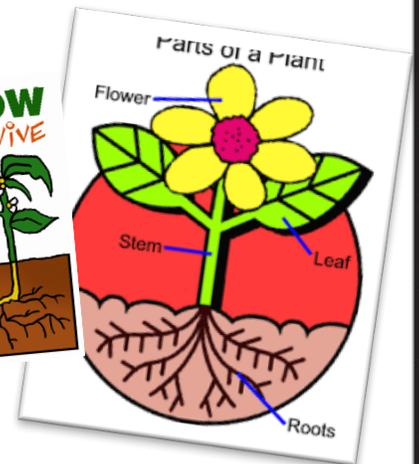

During this month, our students will develop their map skills. They will be able to identify the compass rose, symbols, and the map key as three different characteristics of maps.

Science

This month we will continue learning about plants through books and other print materials, and exploration of actual plants, children will identify plants as living things, examine the parts of plants, experiment with what plants need to live and grow, and appreciate the importance of plants to people and other living things.

How Plants Grow AND SURVIVE

Social Emotional Learning

Treating people with **RESPECT** makes your world a better place to live in, whether it's at home, at school, or out in your community. This month, we will:

- Model & discuss the importance of showing respect.
- Develop Responsibility/Respect for self and others

Special Events

Trip to Fagnoon

QUOTE OF THE MONTH

"Treat others the way YOU want to be treated"
