

Printing Door Hangers

The printing templates provided are from www.gotprint.com. It not required to print with Got Print however please be aware that a margin must be left free of text or images to allow for the die cut. Die cut measurements and placement may vary by printer. For that reason, Got Print is our recommended printer.

Finished size is 3.5" X 8.5".

Please be aware that these are 4 color prints and can be printed using either the JPG or PDF files.

Please also note that colors vary between monitors and printers. The color you see on your monitor or printer may not be the same as the color that is printed.

Enclosed in the zip file you will find the following:

1. Printing templates from Got Print for the front and back of the door hanger for reference only. The JPGs and PDFs are ready for printing.
2. JPGs files for front and back of Door Hanger
3. PDFs files for front and back of Door Hanger
