## Revelation 11:15-19

June 6, 2021

### 1| Read Revelation 11:15-19

Verse 14 already announced that the third woe is coming then we read in verse 15 that the 7th trumpet is blown—what actually occurs is a great victory shout because, “The kingdoms of this world have become the kingdoms of our Lord and of His Christ...” While some rejoice over Christ’s accomplishment, to the rebels it will be as a curse. Judgment time has come and their own hopes of victory have been crushed. Everyone will either be rejoicing or regretting, do you know which side you will be on? How can we convince those who have not received Jesus that the time to decide is now?

### 2| Read Genesis 1:28, 3:1-6 & John 12:31

Here in Revelation 11, Jesus reestablishes His authority on earth which begs this question: What happened to the authority of Jesus? Based on the reading in Genesis and John, why was the dominion over earth transferred and to whom?

3| In verse 15 we read that Jesus will reign forever and ever. Forever can be a difficult concept for people because in this world it seems that everything has an expiration date (except for Twinkies). When it comes to forever, what are some things that you would enjoy doing for eternity?

### 4| Read Psalm 2:1-3

This describes a world angry at God, thinking that they can fight God and win—laughable! Clearly this is what is happening in verse 18 of our passage in Revelation. If you look around at our world today, Where do you see the same thing taking place?

5| In the Old Testament, obedience often brought reward in life. But if this were always true, then good people would always be rich and suffering would be a sign of sin. The result would be that good deeds would only be done for selfish reasons. What motivates you to do good deeds?
