**BACH TO JOPLIN**

# DO YOU NEED...

- \* Educational and fun activities for your beginner through intermediate piano students?
- \* Multi-level materials with interchangeable game cards?
- \* Engaging resources students of all ages love?

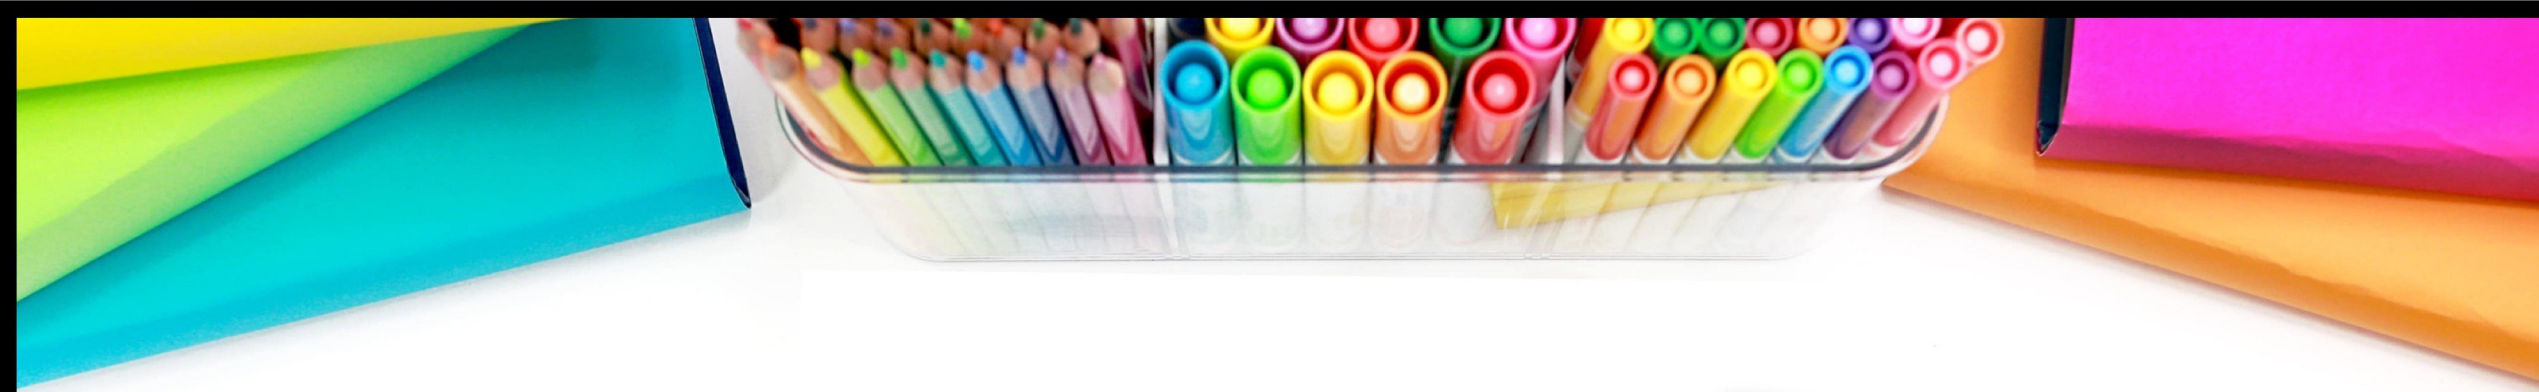

# THEN YOU NEED THIS BUNDLE!

- \* 5 levels of “classical” favorites: Bach to Joplin!
- \* Review pre-staff notes through ledger lines.
- \* Students stay engaged and focused!
- \* Perfect for private or group piano, in-person or online.

# HOW TO PLAY

- \* Draw a card.
- \* Sight-read the musical example (selections from Bach to Joplin).
- \* Roll the dice to move forward on the game board.
- \* First one to the finish line wins!

# STUDENTS WILL:

- \* Fall in love with sight-reading!
- \* Enjoy a little friendly competition!
- \* Have a blast playing these games in private lessons or in groups!
- \* Appreciate the change of pace these activities offer!

# INTERCHANGEABLE!

- \* Cards are interchangeable!
- \* Play as a multi-level game with multiple levels of students.
- \* Mix and match cards from different sets for students in a group lesson.

# BONUSES!

- \* Game board for each level.
- \* Black and white cards for any student who needs a more simple approach to sight-reading.
- \* These make the bundle relevant for any age learner!

# WHAT TEACHERS ARE SAYING:

**I used this with one of my [...] students who had broken his right hand. We used all of the LH cards. It was a huge success!**

***-Rebecca P.***

**My learners love this game and keep asking to play again and again.**

**Thank you very much. :)**

***-vivace2309***

**This resource is so adaptable for a variety of uses with [...] pianists of all ages and stages!**

***-Michal L.***
