## Ephesians 4:12

September 19, 2021

### 1| Read Ephesians 4:12

As believers in the body of Christ we are called “saints.” Therefore God calls us to ministry as members of His body. No one should be a bystander or an observer, each must do the work of ministry. How is God equipping you to do the work of ministry?

### 2| Read Proverbs 6:16-19

Janette Chun from Birth Choice spoke about the new Planned Parenthood office located in Hemet. She mentioned that it was an abomination and Pastor Tom referenced this passage in Proverbs 6. We could probably apply all of these to Planned Parenthood, but which ones stand out to you and why? How can we effectively stand against Planned Parenthood in our community?

3| Pastor Dan Harris spoke about how My City Youth has adapted their ministry to continue serving the youth in our valley with events like “Bags of Love.” What are the advantages of having a My City Youth in this valley? How can we come alongside them as believers?

4| Pastor Rob Lortz and Pastor Steve spoke about 4|12 Todos Santos, how after the recent hurricane they not only secured their own building but went out into the surrounding community to assist with cleanup. Sometimes, as Christians, when we are going through a trial we become consumed with our own troubles and we fail to fellowship with and help others. How can helping others in the midst of a trial not just bless others, but us as well?

5| We tend to overestimate what we can do by ourselves and underestimate what we can accomplish as a group. But as the body of Christ, we can do more together than we could possibly accomplish as individuals. Each Life Group should be doing community outreach events three times a year as a minimum. If you haven't discussed it yet, please plan an event together right now.
