ALPHABET FLASH CARDS

PREPARATION

Print flashcards onto cardstock, cut and laminate.
The black & white version can also be cut and stapled into little alphabet books or used as coloring pages.

11 SUGGESTIONS FOR USE (besides just flashing them!)

- Print off double and use to play memory matching games
- Hide the cards then search for specific letters
- Sort cards by whether they're tall, short or have a hanging tail
- Sort the pictures by their beginning sound
- Rhyming game: for example, 'I spy a picture that rhymes with fall'
- Spread some of the cards on the floor or across the table. Call out a letter name then the child jumps on it or slaps their hand onto it
- Think of other words starting with the same sound
- Count the syllables in the words
- Mix up cards, then work together to put them in alphabetical order
- Writing prompts
- Spelling self-check

ENJOY!
