Dear Parents;

Thank you for coming to the Parents' Day to discuss your children's progress and to view their wonderful work! It was a great pleasure meeting you all!

I would like to welcome the children back! I hope they enjoyed their time off and are ready for some more exciting activities. This month we will be shifting to a new study and we will learn all about "Buildings".

Young children are very curious about buildings. They want to know how they are constructed and what people do inside them. This study offers many opportunities to explore buildings firsthand. Children will expand their knowledge and understanding of building materials and physical forces. They will also explore concepts in social studies related to shelter, jobs, and the purpose of different structures.

Language and literacy:

- ◆ Demonstrate phonological awareness.
- ◆ Demonstrate knowledge of the alphabet.
- ◆ Demonstrate awareness of print and its use.
- ◆ Comprehend and respond to books and other text. Listens and understand increasingly complex language.
- ◆ Use language to express thoughts and ideas.
- ◆ Use appropriate conversational and other communication skills.

Social Emotional:

We will be continuing with:

- ◆ Regulate own emotions and behavior.
- ◆ Establish and sustain positive relationships.
- ◆ Participate cooperatively and constructively in group situations.

Math and Science:

- ◆ Use number concept.
- ◆ Explore and describe spatial relationships and shapes.
- ◆ Compare and measure.
- ◆ Use scientific inquiry.
- ◆ Demonstrate knowledge of physical properties of objects.
- ◆ Introducing 2D and 3D shapes.

Important Dates:

Nov 3rd: Back to school.

Nov 7th: Tanoura Show.

Nov 10th: Prophet's Birthday (No school).

Nov 18th: Sitara Theater in school.

Nov 28th: Thanksgiving (No school).

Cognitive Skills:

- ◆ Demonstrate positive approaches to learning.
- ◆ Remember and connect experiences.
- ◆ Use classification skills.
- ◆ Think symbolically.
